2.0

3.0 New Items

3.1 Review last meeting minutes. William Pogozeleski made a motion to approve the last's meeting minutes, Velynda Kimes seconded the motion, the motion passed

3.2 Budget review and vote- there has been no new discussion of the budget, we will have better projections after the pre-enrollment period is complete

3.3 School Performance Plan

3.4 Student code of conduct- Ms. Ruesch reviewed the updated code of conduct for pre-k-12 students with modifications to the language in regards to terminology used for behaviors and the classification of minor to major incidents. This information was released through the College, Career, Equity, and School Choice Unit under the Education Services Division.

3.5 Staffing no update

3.6 General Questions- Ms Kimes brought up an issue regarding research that has been done about school dress codes and provided material to the SOT. Since this is a school district issue she was encouraged to bring this up as a non-agenda item at a school board meeting. Members of the SOT offered to assist her in crafting the message for the school district to look at the equity of some of our dress code items and brought to light other districts that have non-gender based dress codes and dress codes that do not target cultural and racial styles of dress. She also mentioned that some dress codes may unfairly impact student achievement as students spend more time outside of the classroom due to dress code issues.

Public Comment Period (20 minutes maximum allotted)
