BUILDING FOR

This school year is off to a great start, and it's hard to believe we're already nearing the halfway mark! As we reflect on the first few months, there is so much to be thankful for and proud of within our Hempfield school community.

Each day, I'm inspired by the dedication of our teachers and staff—their support and commitment to building strong relationships make a tremendous difference. Our campus is alive with activity nearly around the clock. Doors open early, and the engagement continues long after the final bell rings, with numerous after-school programs, performances, and events that enable our students to shine.

Districtwide highlights this year include progress on the high school construction project, a new emergency crisis alert system for improved safety measures, Extended Day Kindergarten in every building, and the launch of our Full Day Kindergarten Exploration Committee.

This group will examine all aspects of a full-day kindergarten program and explore how to make this opportunity a reality for Hempfield families.

Many of our school events would not be possible without the efforts of our parent organizations. From fun runs to book fairs and beyond, their work provides valuable support for field trips, classroom projects, and other school enhancements.

It truly takes everyone—our dedicated educators, support staff, administrators, and community—to make each school year a success. I am proud to lead this great district and excited for what is yet to come!

Michael J. Bromirski

Superintendent of Schools

R OUR FUTURE

Proposed Construction Timeline:

SUMMER 2026

Begin construction on the new addition

SUMMERS 2026/27/28/29

Various areas of Buchanan wing renovated

START OF SCHOOL 2028

New addition opens/remaining renovations to the Buchanan wing

START OF SCHOOL 2029

Buchanan wing renovations completed

SCHOOL YEAR 2029-30

Demolish the Franklin wing

START OF SCHOOL 2030

Sitework complete

Collectively, our high school maintenance team, teachers, and staff have done a tremendous job “working with what we have.” However, you can only patch the roof so many times. Parts needed to repair the heating and air conditioning systems (in the areas of the building that have air conditioning) are becoming increasingly difficult to find for a facility built in 1955. Additionally, today’s classrooms require spaces and technology far different from those of 70+ years ago.

For these reasons and more, we are moving forward with plans to add a new section, renovate the Buchanan wing, and demolish the Franklin wing at Hempfield High School.

The new building will feature enhanced lighting, improved traffic flow both inside and outside the campus, energy-efficient mechanical systems, and classrooms designed with flexibility and adaptability to meet the evolving needs of today’s learners.

In November, we held our second Community Forum to share updates with our Hempfield community and answer questions about the project. (See QR Code for presentation) If all proceeds as planned, construction would begin in early June 2026, with completion anticipated in the fall of 2030.

FIELDS OF THE FUTURE

The district hosted a friendly “Fields of the Future” wiffle ball event in early October with our baseball and softball athletes to celebrate the start of construction on our new varsity baseball and softball fields. The new section of the high school will be built on the current baseball field, making it necessary to move the field. Beginning with the spring 2027 season, varsity baseball will be played at the new location—beside LPC, adjacent to the Quad. Both the baseball and softball fields will have new dugouts, bullpens, scoreboards, and a better drainage system.

HEMPFIELD HIGHLIGHTS

HOCO ROYALTY

HHS students celebrated lots of Homecoming festivities in early October. This year, Ethan Albright and Avery Wilson were named HOCO King and Queen.

HONORING THE FALLEN

LMS Students and staff came together to honor and remember 9/11 by participating in the Patriot Run.

Many of our elementary schools, supported by their PTOs, participate in Fun Runs each fall to raise money for field trips, special activities, and other school-year projects.

GRIND DAY!

This weekly student-led business program gives students real-world experience as they personally greet and hand-deliver coffee, tea, and baked goods to customers at HHS and the Administration Building.

HHS STUDENTS SHINE AT PMEA DISTRICT 7 CHOIR

Congratulations to our outstanding singers. Ten HHS students placed in the top 25 at the PMEA District 7 Choir competition. These talented vocalists competed against nearly 700 singers from 90 schools. Will Cassidy, who placed 3rd overall (Bass 1), was the highest-ranked Hempfield singer!

(Back) Jonny O'Maille, Reagan Hoover, Kaden Mendenhall, Will Cassidy

(Front) Anneke Muskens, Reese Szulborski, Sonia Shih, Ayla Vieland, Liam Conicella, Adelynn Aument

CAREER EXPLORATION

CMS students are visiting local businesses while they learn about future career opportunities.

Ty Sauder, Mila Wachstein, Ethan Albright, Andrew Xie, Nathaniel Clawges-Geiger

NATIONAL MERIT SCHOLARSHIP SCHOLARS

Five HHS students have been named National Merit Semifinalists, and three students have been recognized as National Merit Commended Students for their outstanding academic achievements.

Vincent Zheng, Niti Ramani, Sophia Wilson

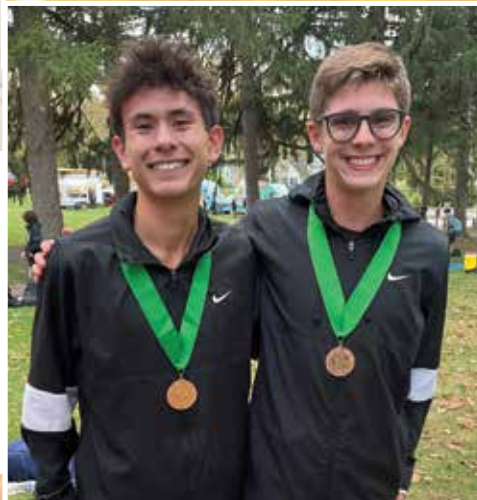

FALL ATHLETIC HIGHLIGHTS

Girls' Volleyball went 13-1 in the regular season and won their 9th consecutive and 24th overall Lancaster-Lebanon (L-L) League title. They finished as District III runners-up and advanced to the PIAA State quarterfinals.

▲ The **Girls' Tennis** team qualified for the PIAA State tournament, finishing 10-3 in the regular season and 4th in District III. Freshman duo Priya Christman & Kiana Nguyen also qualified for the PIAA State Doubles tournament.

◀ Liam Hodge & Carlo Abello were L-L League **Cross Country** medalists. Liam was also District III medalist, which qualified him for the PIAA State Cross Country Championships.

Field Hockey advanced to the District III semifinals and qualified for the PIAA State tournament for the first time in 13 years. ▼

HONORING EXCELLENCE:

The Hempfield Athletic Hall of Fame

2025 HEMPFIELD ATHLETIC HALL OF FAME INDUCTEES

The Hempfield School District Athletic Hall of Fame celebrates individuals who have made outstanding contributions to Hempfield athletics. Through their participation, support, and dedication, these honorees have brought recognition, honor, and distinction to the district and its athletic programs.

MAGIC & MYSTERY

PRESCHOOL CONNECTIONS CLUB

MORE INFO:

All current preschool-aged children who will attend kindergarten in the Hempfield School District during the 2026-27 school year are invited to join our Preschool Connections Club with their parent/guardian/caregiver at their future school building.

Preschool Connections Club sessions include engaging activities such as read-alouds, literacy tips, introductions to staff and facilities, and more. Reading Specialists at each location will also provide take-home resources to help families prepare for the kindergarten journey.

All Preschool Connections Club events are listed on the district calendar and on our website. Please note that some buildings require an RSVP, so be sure to check the website for details.

KINDERGARTEN REGISTRATION Information for the 2026-27 School Year

MORE INFO:

If your child will be five years old before September 1, they are eligible to start kindergarten in the fall of 2026. Online enrollment opens in mid-January and should be completed as soon as possible.

For families without internet access, please contact the Child Accounting & Enrollment Office at (717) 459-9009 to schedule a time to use a district computer. To complete registration, parents/guardians will need to provide a photo ID, proof of residency, a copy of the child's birth certificate, and immunization records.

Parents/guardians are invited to attend Kindergarten Orientation Night at the school assigned to their attendance area.

Kindergarten Orientation Nights are:

**Centerville
Elementary School:**

- March 10 at 6:30 p.m.

**East Petersburg
Elementary School:**

- March 2 at 6:00 p.m.

**Farmdale
Elementary School:**

- March 10 at 6:15 p.m.

**Landisville
Primary Center:**

- March 3 at 6:30 p.m.

**Mountville
Elementary School:**

- March 10 at 6:30 p.m.

**Rohrerstown
Elementary School:**

- March 5 at 6:30 p.m.

ENSURING SAFETY THROUGH NEW SECURITY MEASURES

CENTEGIX®

The system pinpoints the exact location of the alert, enabling a rapid response in the event of a medical emergency, an escalating situation, or a more serious threat.

There is no greater responsibility than ensuring the safety of our students and staff. This year, we've implemented additional security measures to strengthen our district's existing safety protocols.

Thanks to a School Safety and Security Grant from the Pennsylvania Commission on Crime and Delinquency, we launched a new emergency crisis alert system, CENTEGIX, this fall. All staff members—including teachers, support staff, administrators, athletic coaches, and substitutes—now wear badges that allow them to instantly trigger an alert. Depending on the situation, **the alert can notify building-based responders, such as principals, counselors, nurses, or directly contact local law enforcement and first responders.**

The system pinpoints the exact location of the alert, enabling a rapid response in the event of a medical emergency, an escalating situation, or a more serious threat.

Our Technology Department worked closely with CENTEGIX representatives to install all necessary equipment, which meets FCC and FDA safety standards. Staff across the district have been trained on the new system, and full implementation is now in place.

HEMPFIELD SCHOOL DISTRICT DISCLOSURES

Annual Notice to Parents/Guardians

In compliance with state and federal law, the Hempfield School District will provide to each protected handicapped student, without discrimination or cost to the student or family, those related aids, services, or accommodations, which are needed to provide equal opportunity to participate in, and obtain the benefits of, the school programming to the maximum extent appropriate to the student's abilities. In order to qualify as a protected handicapped student, the child must be of school age with a physical or mental impairment, which substantially limits or prohibits participation in, or access to, an aspect of the school program.

These services and protections for "protected handicapped students" are distinct from those applicable to all eligible or exceptional students enrolled (or seeking enrollment) in special education programs.

For further information on the evaluation procedures and provision of services to protected handicapped students contact Dr. Meredith Goodrich, the Director of Special Education, 717-898-5563.

Child Find Notice

In compliance with state and federal laws, notice is given by Hempfield School District that it conducts ongoing identification activities as part of its school program. The purpose of these activities is to identify those students who may be in need of special education and related services. All information gathered about a student is subject to the confidentiality provisions contained in federal and state law. Hempfield School District has policies and procedures that govern the collection, maintenance, destruction, and disclosure to third parties of this information. For more information, please call the Office of Special Education at 717-898-5563.

Discrimination and Harassment

The Hempfield School District, an equal opportunity employer, does not discriminate on the basis of race, color, religion, national origin, sex, age, ancestry, or disability in its programs and activities and provides equal access to designated youth groups. Inquiries should be directed to Dr. Tab Musser, Title IX Coordinator, Hempfield School District, 200 Church Street, Landisville, PA 17538, tab_musser@hempfieldsd.org. Harassment of students and staff will not be tolerated.

Disclosures

Full descriptions of the following disclosures can be found on the district website at hempfieldsd.org/about-us/disclosures.

- Highly Qualified Teacher Notification
- Asbestos Management Plan
- Integrated Pest Management Notification
- Automated Calling System
- Gifted Education
- McKinney-Vento Education of Homeless Children and Youth Assistance Act

Inclement Weather Procedures & Communications

On days when the weather forecast calls for snow, ice, or other severe weather, stay tuned to the following Hempfield communication channels for ongoing closing and delay information:

- District website
- Automated text message from PowerSchool for parents and guardians only
- District social media channels

School Delay & Closing Information

The communication channels are the most reliable resources for information regarding school closings or delays. In addition, the following television and radio stations will be contacted to report closing and delay information:

- Online: LNP/Lancaster Online
- Television:
 - NBC (WGAL Channel 8)
 - ABC (WHTM Channel 27)
 - FOX (WPMT Channel 43)
 - CBS (WHP Channel 21)

Flexible Instruction Days

There are no built-in "snow days" for the 2025-2026 school year. Flexible instruction days, also known as FIDs, provide an alternative approach to delivering instruction and will be used in the event of severe weather or other circumstances that prevent in-person instruction. Hempfield School District is approved for five FIDs during this school year.

If more than five FIDs are necessary, additional school days will be added beyond the last student day on Friday, May 29, 2026.
