

ELEMENTARY NEWSLETTER

JANUARY

Principals' Blurb

Welcome back! It has been wonderful seeing our students fill the halls with energy again as we kick off the first week of 2026. We are looking forward to a productive and exciting second half of the school year.

As we settle back into our routines, please remember that we will continue to have outdoor recess each day. We believe it is important for our students to get fresh air and enjoy time playing in the snow to help them stay focused and active.

To ensure your child stays warm and comfortable, please keep these details in mind students will go outside for recess unless the temperature (including wind chill) is 0°F or lower. Please send your child to school with labeled winter gear each day

Thank you for your help in keeping our students safe and warm during these winter months. Here is to a great start to the new year!
