## Athletic Director Message

The storied tradition of Spartan athletics is one that we are all proud of and we look forward to further success this season. The Valley View Local School District prides itself on the high-quality education our students receive while simultaneously offering numerous opportunities for our student-athletes to excel in their respective sport programs. We encourage students to be involved in interscholastic athletics because we believe that sports is an extension of the classroom where students can learn valuable lessons and life skills that will not only benefit them throughout their entire lives, but also make their high school experience more meaningful by capitalizing on the benefits of teamwork, peer support, personal accountability, and positive socialization.

Valley View is a proud member of the Ohio High School Athletic Association (OHSAA) and the Southwestern Buckeye League (SWBL). We offer a wide range of athletic opportunities for both boys and girls at the high school and junior high levels. We specifically offer a total of 14 different sports (32 sports teams) at the high school level as well as 6 different sports (13 different teams) at the junior high level. We'd like to recognize our coaches, many of whom either coach multiple sports teams or do so on a volunteer basis. They sacrifice their time and energy to make the athletic experience for our student-athletes enjoyable and meaningful.

The athletic department would first like to thank our parents for your unwavering support of our student athletes. So much of what we are able to accomplish on our field or courts is due to your willingness to serve behind the scenes. We are especially grateful for our partnership with the Valley View Athletic Boosters for their ongoing support of our athletic programs. The positive relationships we have with the parents, Athletic Boosters, and the larger Valley View community truly makes our sports environment one of a kind. We have high standards with regard to sportsmanship and conduct. We not only expect our students and coaches to uphold these values, but also the spectators at our athletic contests. As fans, we encourage positive behavior in the stands towards officials, opposing fans, and each other as we cheer our athletes on to victory.

Thank you for your continued support of Valley View Spartans Athletics. Go Spartans!

Michael Rasey  
Director of Athletics

## **Athletics/Extracurricular Activities/Parking Permits**

Some activities at VVHS are extracurricular and others are co-curricular. (Organizations and their designation as co- or extra-curricular are listed after this section.)

Extra-curricular activities are voluntary and thus it becomes a privilege to participate in those. Co-curricular activities are linked to a class and are not considered voluntary.

Participation in athletics, extracurricular activities, and/or obtaining a parking permit for VVHS is considered a privilege and with each privilege comes responsibilities and commitments. Students are reminded that maintaining their privileges in these areas requires that they uphold the appropriate guidelines set forth in the Student Code of Conduct, the Participant Code of Conduct, Parking Permit requirements, and any team/activity rules established by individual coaches or advisors. These students are subject to random drug testing under the VV Random Drug Testing Policy. Students are asked to sign a receipt acknowledging that they received, shared with their parents, and understand the Participant Code of Conduct and/or Parking Permit Requirements, as well as Random drug testing consent agreements. By signing these documents, students are agreeing to abide by the guidelines.

Students prohibited from possessing a parking permit, or participation in all or part of any athletic or extracurricular activity are not entitled to further notice, hearing, or appeal rights. Students will adhere to all rules and regulations from the Code of Conduct pertaining to academics and to athletics throughout the calendar year. **The Athletics Code of Conduct is enforceable year round, which includes district holidays and vacations (24 hours per day, 365 days per year).** Copies of the OHSAA handbook are available in the Athletic Office and each athlete is advised to be familiar with the rules and regulations set forth in this booklet.

### **Athletic Eligibility**

Eligibility for athletics includes all standards set forth by the OHSAA and those determined by the Valley View School District. Academic Eligibility for each grading period is determined by grades received the preceding grading period. Summer school grades may not be used to substitute for failing grades received during the final grading period of the regular school year or for lack of enough subjects taken the preceding grading period.

**DO NOT CHANGE YOUR COURSE SCHEDULE WITHOUT FIRST CONSULTING WITH THE PRINCIPAL, ATHLETIC DIRECTOR, OR GUIDANCE COUNSELOR TO DETERMINE WHETHER IT WILL AFFECT YOUR ELIGIBILITY.**

**Per OHSAA, students and parents are ultimately responsible for being aware of academic eligibility requirements.**

Athletic Academic Eligibility standards include:

**Grades 9-12**

- 1) In the immediate preceding 9 week grading period, a student must receive a passing grade in a minimum of 5 one credit courses (or the equivalent) which count toward graduation. (**Physical Education does not qualify as a one credit course.**)
- 2) Those grades referenced in #1 above must, when combined, have a minimum total grade point average of 1.0 on a 4.0 scale.
- 3) The first year a student is enrolled in high school, immediately after advancement from the 8th grade, he or she must have passed 5 subjects carried in the preceding grading period in which the student was enrolled.

Weekly Eligibility

Further, all students are to maintain weekly scholastic eligibility. You will be ineligible for one week if you are failing two or more classes in a single week (Monday through Sunday). These requirements will be directed and determined by the Principal and Athletic Director.

Athletic Academic Eligibility standards include:

**Grades 7-8**

- 1) In the immediate preceding 9 week grading period, a student must receive a passing grade in a minimum of 4 one credit courses (or the equivalent). (**Physical Education does not qualify as a one credit course.**)
- 2) Those grades referenced in #1 above must, when combined, have a minimum total grade point average of 1.0 on a 4.0 scale.
- 3) The first year a student is enrolled in junior high school, immediately after advancement from the 6th grade, he or she is eligible for the first grading period.

Weekly Eligibility

Further, all students are to maintain weekly scholastic eligibility. You will be ineligible for one week if you are failing two or more classes in a single week (Monday through Sunday). These requirements will be directed and determined by the Principal and Athletic Director.

## Athletic Code of Conduct

These rules concern conduct both as a member of the team/activity and as representatives of Valley View High School. Violations of these or other rules concerned with a specific activity, as determined by the head coach/advisor, may jeopardize student activity status. Violations of the Athletic Code of Conduct at school, at any school functions, or away from school, and school functions during the OHSAA season, may result in school discipline of the student participant.

### Rules

Rules found in the current Student Handbook apply to all students at all school-sponsored activities. In addition, the coach/advisor, Athletic Director, or Administration may set additional penalties for unbecoming behavior which may include a verbal reprimand or denial of participation. Tobacco (including smokeless tobacco), alcohol, or other substance abuse (drugs, steroids, and the like) will carry penalties (see drug/substance abuse). Attendance at practices is mandatory unless you have secured prior permission from the coach/advisor to miss. Coaches may set reasonable curfews during their season. Participants are expected to conduct themselves in a proper manner at all times, and especially when aboard a school bus or other Board owned vehicles.

All participants will be under the direct supervision of a coach/advisor to and from all activities. Only if a travel release signed by the parent and coach/advisor is submitted to, and approved by, the coach/advisor and the Athletic Department or Administration can a participant be released after an away event, and then only to a parent/guardian. Participants will treat Valley View property and equipment of other schools in a respectful manner, and may be held financially responsible for any damages. Participants are expected to abide by the reasonable rules of the activity as further specified by the head coach/advisor.

**Exhibiting good sportsmanship, both on and off the playing areas, is an expectation of all Valley View participants. No hazing or initiations will be permitted.**

Music played in public at Athletic events must be pre-approved by the Athletic Director. Music played in public for dances or other extracurricular activities must be pre-approved by the Administration.

### **Rules Violations**

Student participants who violate any of the aforementioned rules may be disciplined by the coach /advisor by such means as a verbal warning, a conference with parents, benching, and other similar measures.

The Principal/Designee may discipline student participants by such measures as denial of the privilege of participation in extracurricular activities, removal from the team or student group, loss of that season's awards, verbal and/or written notification to parent/guardian, and other measures.

**Denial of participation for offenses outside of the season will be applied to the next season in which the student athlete participates.**

**Violations of drug/substance abuse policy will carry over from year to year.**

### **Drug/Substance Abuse**

Student use of drugs, alcohol, and nicotine-containing substances, is not only a violation of the law, but also has an adverse effect on student participants and the school teams or school organizations to which they belong. Athletic participation is recognized as the merging of both mind and body to compete at one's full potential.

In an effort to provide for the safety of all students, to undermine the effects of peer pressure by providing a legitimate reason for students to refuse to use alcohol and illicit substances, to encourage students who use alcohol and/or illicit substances to participate in an appropriate treatment program, and to prevent the impact of drug and alcohol use has on learning centers of the brain allowing students to work towards their academic potential while a student with the Valley View Schools, the Board of Education has adopted a policy of Random Urine Drug Testing of students who a) participate in athletic/extracurricular activities and/or b) hold a Valley View Student Parking Permit.

### **Drug/Substance Abuse Policy**

The Valley View Local Schools believe that it is important to provide students with as many resources as possible aimed at curtailing the use of illicit drugs and alcohol. Therefore, students who are involved in any extracurricular activities (athletic, and non-athletic), and/or obtain parking privileges at Valley View High School are subject to random drug testing. A student who tests positive will face consequences involving loss of privileges, and more, as detailed in the Valley View "Policy for Random Urine Drug Testing of Valley View Schools Parking Permit Holders and Participants in Athletic/Extracurricular Activities" packet. Both parent and student will be required to sign consent agreements prior to participation in extracurricular activities and/or the purchase of a VVHS parking permit.

### **Self-referral for drug/substance abuse**

Participants who have never previously had a positive ('dirty') result may self-refer for assistance. However, such a referral must be made prior to the announcement/notification to the participant of a random drug test or the self-referral shall be deemed invalid by the District. A self-referral participant will comply with the requirements set forth in "First Offense and/or positive result" (see below), except there will be no forfeiture of the activity and/or driving privileges. At the discretion of the Building Principal or Designated Official, the Substance Abuse Committee may monitor a self-referred student's progress toward rehabilitation to determine that significant efforts are being made. Failure of the participant to demonstrate compliance with, or cooperation in, the rehabilitation process (including but not limited to the supplying of negative drug tests), may result in loss of participation/driving privileges as determined by the Substance Abuse Advisory Committee. Self-referrals will be considered for/as first offense only; the next positive result following a self-referral will be treated as a second positive result. A participant may only self-refer one time while a student at the Valley View Local Schools.

### **Consequences of a positive ('dirty') drug test, or possession and/or use of paraphernalia, alcohol, drugs, or prescription/non-prescription items in violation of school drug/alcohol/medicine policies.**

**First Offense and/or Positive Result** – Athletes will forfeit twenty percent (20%) of their OHSAA season. Extracurricular participants will forfeit twenty percent (20%) of their season or year, as applicable. Parking permit holders will forfeit their permit use for the number of days equivalent to twenty percent (20%) of the school calendar year. If a student participates in multiple activities, i.e. athletics, parking permit, musical, etc., the student shall forfeit 20% of each and every activity in which he/she participates. Participants will participate in a drug/alcohol assistance program and will provide requested documentation of such participation to the Building Principal or Designated Official. Parents/guardians must pay for this expense. The participant must also submit to follow-up drug tests at the parent/guardian/custodian's expense and must have three consecutive negative tests to be reinstated. Failure to comply will result in indefinite loss of privilege to participate in activities and/or driving until compliance is achieved.

**Second Offense and/or Positive Result** – Athletes will forfeit forty percent (40%) of their OHSAA season. Extracurricular participants will forfeit forty percent (40%) of their season or year, as applicable. Parking permit holders will forfeit their permit use for the number of days equivalent to forty percent (40%) of the school calendar year. If a student participates in multiple activities, i.e. athletics, parking permit, musical, etc., the student shall forfeit 40% of each and every activity in which he/she participates. Participants

must complete a program recommended by a certified substance abuse counselor and submit documentation of such completion to the Building Principal or Designated Official. Parents/guardians must pay for this expense. The participant must also submit to a follow-up drug test at the parent/guardian's expense and must have three consecutive negative tests to be reinstated. Failure to comply will result in indefinite loss of privilege to participate in activities and/or driving until compliance is achieved.

**Third Offense and/or Positive Result** – The participant will be barred from participation in any athletic activity, extracurricular activity, and/or parking on campus for at least one calendar year. Prior to reinstatement the students must, at the discretion of the Substance Abuse Advisory Committee (selected by the District Administration), show significant progress toward rehabilitation from a certified substance abuse program. Additionally, the participant must have three consecutive negative tests to be reinstated. Failure to comply will result in indefinite loss of privilege to participate in activities and/or driving until compliance is achieved. Both the rehabilitation program and any follow up drug testing are at the parent/guardian's expense.

**Fourth Offense and/or Positive Result** - Participants will be permanently denied participation in athletic/extracurricular activities and will be permanently denied parking privileges.

**Consequences for use or possession of any nicotine containing substances (or Related Item)**

**First Offense within a school year** – Athletes will forfeit the equivalent of twenty percent (20%) of their OHSAA season. Extracurricular participants will forfeit twenty percent (20%) of their season or year, as applicable. Parking permit holders will forfeit their permit use for the number of school days equivalent to 20% of the school calendar year. If a student participates in multiple activities, i.e. athletics, parking permit, musical, etc., the student shall forfeit 20% of each and every activity in which he/she participates. Denial of participation will occur immediately following the completion of the administrative investigation of this violation of the Athletic Code of Conduct.

**Second Offense within a school year** - Athletes will forfeit the equivalent of forty percent (40%) of their OHSAA season. Extracurricular participants will forfeit twenty percent (40%) of their season or year, as applicable. Parking permit holders will forfeit their permit use for the number of school days equivalent to forty percent (40%) of the school calendar year. If a student participates in multiple activities, i.e. athletics, parking permit, musical, etc., the student shall forfeit forty percent (40%) of each and every activity in which he/she participates. Denial of

participation will occur immediately following the completion of the administrative investigation of this violation of the Athletic Code of Conduct.

**Third Offense within a school year** - The Participant will be denied the privilege of participation in any athletic activity, extracurricular activity, and/or parking on campus for the remainder of the school year.

### **Requirements for Participation**

In addition to meeting eligibility requirements, the participant must meet the following obligations:

**A) Physical Form (Athletics)** – A properly completed physical form is to be submitted on Final Forms. This is an annual requirement and the form must be completed prior to conditioning, practice, and/or competition. This is also an OHSAA requirement (this packet includes Risk Acknowledgement & Consent to Participate).

**B) Emergency Medical Form (All students)** – A properly completed Emergency Medical Form must be submitted through Final Forms. This is an annual requirement. It is the responsibility of the participant and his/her parent/guardian to ensure such information is current and released to the school. This must be completed prior to conditioning, practice, and/or competition.

**C) Random Urine Drug Testing Consent Forms (Athletics, Extracurricular, Parking Permit Holders)** - Properly completed Random Urine Drug Testing Consent Forms by both parent and participant must be submitted on Final Forms. This is an annual requirement and the forms must be completed prior to conditioning, practice, competition, and/or the purchase of a parking permit.

**D) Risk Acknowledgment & Consent to Participate (Athletics)** – A properly completed Athlete’s Risk Acknowledgement and Consent to Participate form must be submitted on Final Forms. This is an annual requirement and the form must be completed prior to conditioning, practice, and/or competition. The purpose of this requirement is to assure that athletes and their parents fully appreciate the risks involved in participating in the sport(s) of their choice, as well as understanding what can be done to prevent injury and the inherent limitations of these preventive measures. (This form is part of the Physical/Final Forms Documentation.)

**E) Concussion (Athletics)** - Valley View has implemented the ImPact Testing Program. ImPact is a computerized test which tracks information such as memory, reaction time, speed, and concentration. However, it is not an IQ test. Though the ImPact test is available to all students, all athletes in a contact sport must complete the ImPact test

before beginning practice or competition (you will only do this once in your high school career). Once an athlete sustains a concussion or suspected concussion he/she will be required to retake the test. These results will be provided to the parent or guardian and will be used by the physician to make a return to play decision. Though all athletes with a head injury or suspected head injury must have a note from a physician to return to play, the athlete may be held out longer by the athletic trainer because of continuance of concussion symptoms or a questionable ImPact test score.

Reasons athletic trainers will recommend the athlete should not participate: Still having concussion symptoms and/or having multiple scores in the red. Every athlete in a contact sport must also successfully complete a 5 day return to play protocol, as overseen by the VV adult athletic trainer.

**F) Sudden Cardiac Arrest Acknowledgement Form (Athletics)** - A properly complete Sudden Cardiac Arrest Acknowledgement Form must be completed. Recently a State law was passed adding new requirements for interscholastic coaches (paid and volunteer), and new educational standards for parents and student-athletes regarding Sudden Cardiac Arrest. The law, known as Lindsay's law, becomes effective as we begin the 2017-18 school year. The new materials will include a short video for parents and coaches, which will be posted to the ODH, ODE and the OHSAA websites; an informational form (much like the current Concussion Form) which must be signed by parents and student-athletes is included in the Final Forms Documentation.

**G) Medical Release Required After Injury (Athletics)** - If an athlete is under a doctor's care or requires medical care during the season, he/she must have a signed doctor's release before participation in any practice or contest. This release must be presented to the head coach/trainer or advisor prior to any participation. It is the responsibility of the athlete and parent/guardian to make the coach/advisor aware of doctor involvement.

**H) Attendance at School (Athletics and Extracurricular)** - The Athlete/Participant must be in attendance at school on the day of practice or competition by no later than 30 minutes after the start of the regular school day in order to participate, unless he/she has either has a medical note or prior approval for an absence or tardy has been granted by a school administrator. The athlete must remain until the end of the school day unless he/she is excused by an administrator or is attending a school related activity. If the athlete is unable to attend classes due to an illness or injury, then he/she will not be allowed to practice or participate in a contest.

**I) Attendance at All Required Practices and Competition (Athletics and Extracurricular)** – Valley View student participants must be committed to the team's/extra-curricular activities practice and competition schedules. Students are not guaranteed a place on the team or student group if they miss practice or competition for any reason. This includes but is not limited to personal illness and vacations.

**J) Sportsmanlike Conduct (All students)** – All Valley View students are expected to conduct themselves in the spirit of good sportsmanship, whether they are attending as a fan or participant. Unsportsmanlike conduct may result in a denial of the privilege to participate and/or to attend events. Any student who is ejected from a contest will be subject to the OHSAA policy for unsportsmanlike conduct. The administration reserves the right to issue more severe discipline including denying the student's privilege to participate in or attend activities.

**K) Equipment (Athletics and Extracurricular)** – All issued equipment is school property and must be returned to the coach/advisor. A participant will be charged the replacement value for unreturned or damaged items. Equipment obligations must be met prior to the awards ceremony in order to receive individual awards.

**L) Awards (Athletics and Extracurricular)** – To receive end of the season awards the student participants must meet the following criteria:

1. Students must maintain membership on a team or organization through the end of the OHSAA season or their activity concludes.
2. Participants must attend the awards assembly/banquet unless excused by their head coach/advisor.
3. Participants must have returned all uniforms/equipment and/or have met financial obligations for lost/damaged items.

**M) Quitting an activity (Athletics)** – Any participant who quits an activity is responsible for returning all equipment to the coach/advisor and will not be eligible to receive any award for the activity. After the first scholastic contest if an athlete participating in Sport A either quits the squad or is denied further participation, he/she is not eligible to join an organized conditioning program (including weight training) or go out for Sport B until the other members of sport A are eligible to go out for Sport B. However, there may be times when unusual circumstances could affect this procedure. If, in the opinion of the Athletic Director, such circumstances are present, the Athletic Director may waive this regulation. This decision will be made only after a thorough evaluation of the circumstance by the Athletic Director and the head coaches of both sports.

## **FAN EJECTION POLICY**

**FIRST OFFENSE:** Fans who are ejected from a contest by an athletic official or a school official are subject to removal from the contest and all school contests on the same day in all venues. Those removed or ejected will be required to complete an online sportsmanship class offered by the National Federation of State High School Associations. Adults will be required to take the “Positive Sports Parenting” class while students will be required to take the “Sportsmanship” class. Both classes are offered for free at [www.nfhsLearn.com](http://www.nfhsLearn.com) .

After completing the class, they must schedule a conference with the Athletic Director and/or Principal to submit the Certificate of Completion and discuss their inappropriate behavior and discuss a plan to improve said behavior prior to being admitted to future athletic events. A minimum of a 2-game suspension will be enforced even if other steps of the return protocol have been completed.

**SECOND OFFENSE:** Any fan who is ejected from an athletic contest a 2nd time in a school year shall lose their privileges to attend any Valley View athletics contest – home or away – for a period of SIX (6) MONTHS.

**THIRD OFFENSE:** Any fan who is ejected from an athletic contest a 3rd time in a school year shall lose their privileges to attend any Valley View athletics contest – home or away – for a period of ONE CALENDAR YEAR.

### **Student Behavior at ExtraCurricular Activities, Dances, Assemblies, in the Cafeteria, and in the Hallways**

Valley View students are expected to conduct themselves in a respectful and sportsmanlike manner at all times, including at all extra-curricular activities, dances, assemblies, in the cafeteria, and in the hallways. Any actions which violate this code of conduct, or are disrespectful to school employees, community members, visitors, or others will not be tolerated. Students who violate acceptable standards may: lose their privilege of attending extra-curricular activities, be given assigned seats, be removed from activities without refund of monies, be disciplined according to the measures outlined in the Student Code of Conduct. The administration reserves the right to determine acceptable behaviors in these types of settings, and if deemed necessary by the administration, to remove individuals and/or cancel an event at any time without refund.

## **Sportsmanship**

Student attendance at school sponsored activities is encouraged. As a representative of Valley View High School, positive and courteous behavior is an expectation of all students. Failure to represent Valley View High School in a positive manner may result in loss of the privilege to attend school sponsored activities. **Students are encouraged to cheer for Valley View teams, and not to cheer against opponents. Negative cheering, profanity, or verbal abuse of fans, athletes, coaches, or referees, will not be permitted.** No signs may be displayed without administration approval.

Valley View students who wish to invite a non-Valley View High School guest to a dance must have prior approval of the administration and must submit a pre-approval form (with a copy of guest's photo ID) forty-eight hours in advance. The administration reserves the right to deny approval of any non-Valley View guest and/or student to attend any Valley View activity. Eighth grade students and younger may not attend high school dances, nor may guests 21 and older. All areas of the dance floor must be accessible at all times to the administration/staff/chaperones; i.e. mosh pits/grind floors are not permitted.

**All Dance tickets are pre-sale. No ticket sales at the door.**

## **School Transportation**

Students are expected to conduct themselves in a manner that allows safe transportation to and from school on the bus/van. Students must obey the directives of bus/van drivers and aides promptly and respectfully, obey all school rules and policies, and all local, state, and federal laws and regulations while on the bus/van and at bus/van stops. Video surveillance of students on buses/vans may be used to ensure students' safety and compliance with these policies.

### **Consequences:**

Below is the general progression of discipline for bus/van offenses:

First Offense – verbal warning by the driver

Second Offense – office referral

Third Offense – loss of bus/van riding privileges

However, severe behavior problems may lead directly to the loss of bus/van privileges and may also result in detention up to a 10-day suspension with recommendation for expulsion.

### **Athletic Fees**

Sports participants must pay their participation fee prior to the season. The fee guarantees a student the right to participate as a member of an athletic team, cheerleading squad, VVHS Marching or Pep band and school clubs. It is no way to be construed as a guarantee of playing time or other special factors.

- The funds will be deposited in the District's General Fund to defray the costs of coaches/advisors supplemental salaries, and transportation costs.
- Fee structure is **\$105 per sport (HS) and \$105 one time exploratory fee in JH. \$315 family cap. Checks made payable to: "Valley View BOE"**
- Marching/Pep/Band/Show Choir \$105 or class fee, whichever is more.
- If a student is in the Pep Band and not the HS Marching Band - he/she will still pay the fee. If a student, signed up for Marching Band, selects not to march on Friday night, he/she will pay the fee.
- Clubs \$20 for 1st club, \$10 for subsequent clubs at HS
- Clubs \$10 for 1st club, \$5 for subsequent clubs at JR. HS
- No fee for class officers, Special Olympics, Student Council, National Honor Society, Interact Club and Project Charlie.

### **Assessment/Refund Procedure**

- When roster is complete - fee is assessed and paid prior to receiving uniform.
- Student quits during season, year - no refund.
- Code of Conduct violation - no refund.
- Student quits after receiving uniform, performance or meeting - no refund.
- Illness, injury or moving in or out of the district - prorate 25%, 50%, 75%
- Review Board has the right to evaluate extenuating circumstances.
- Season is shortened due to inclement weather or lack of games - no refund.

### **Fee Assessment Special Situations**

- Athlete that plays two sports/band in one season - one fee per season.
- Athletic Trainers, manager, statisticians - no fee.
- Review Board has the right to evaluate extenuating circumstances

**Participation Fee does not include other charges that the students were previously billed for during a season such as:**

- Camps
- Shoes
- Athletic gear
- Swimming pool fees
- Lost uniform
- Locker room damage
- Bus damage
- Rental fees for band instruments

**Tracking Fees:**

● The athletic director along with the school secretaries will track the fees by listing each student and the club along with cost. A receipt will be submitted for each transaction.
