LOTTERY FOR TUITION PRE-SCHOOL STUDENTS FOR 2026-27 AT ANTHEIL, LORE & PARKWAY ELEMENTARY SCHOOLS

The Ewing Public School District is currently accepting applications for Tuition Students to enter a LOTTERY for the anticipated 2026-2027 Pre-School Program. The program services typically developing 3 and 4 year-olds (*Tuition Students*), and children with special needs.

The deadline to return completed applications for this lottery is Friday, April 10th, 2026.

Program Overview

The Ewing Public School District Pre-school Program is a comprehensive program that services typically developing children and special needs children between the ages of 3 and 4 years old. Anticipated programs will be held at all three of our Elementary Schools. Placement of typically developing children into the program is based on current availability, determined by a lottery system, and the program is tuition-based. Children with special needs are placed in the program through identification, evaluation, and eligibility procedures as outlined in New Jersey Administrative Code. The goal of our program is to provide students with an excellent early childhood learning experience. Currently, the Ewing Public School District offers a variety of programs which are designed to meet the specific needs of each child.

If you have any questions regarding the integrated pre-school program, or you are concerned that your pre-school child is developing or learning differently, please contact Christine Magana: cmagana@ewingboe.org or Maria Petsos: mpetsos@ewingboe.org in the Department of Special Services to request an evaluation for pre-school special education and related services.
