LAMA Poconos Chapter

Jovan X. Caraballo Memorial Scholarship

Latin American Motorcycle Association (L.A.M.A.) is a family-oriented organization that was founded in 1977 in Chicago's notorious Humboldt Park neighborhood. LAMA was intended as a touring club with democratic ideals. In 1999, LAMA became an international association with chapters in Puerto Rico, Mexico, Cuba, and the USA. Recently, chapters have been added in 23 countries around the world.

The Latin American Motorcycle Association is a humanist association that does not distinguish between race, color, nationality, ethnic origins, religion, gender, age, social class, and motorcycle brands, etc. LAMA members share a passion for motorcycles that unites us in a brotherhood of democratic ideals. LAMA is a non-profit organization.

Jovan X. Caraballo was diagnosed with Osteosarcoma on January 6th, 2013, when doctors discovered a malignant tumor in his left femur bone. He underwent chemotherapy from February thru October. Jovan had been thru numerous procedures and major surgery. On April 24, 2013, Jovan had the entire left femur resected, along with his knee and a portion of the bone under his knee. Jovan spent 6 weeks at a rehab center where he had to relearn basic motor skills like the ones you teach a toddler: how to stand, how to walk, how to put on his socks and sneakers. Things you do daily without even thinking about it, he had to relearn. He beat cancer in 2013 but later relapsed in February 2014. Jovan lost his battle on January 24, 2015

*Jovan was the youngest of 3 children; he was 15 years old when he passed. He was the first Lama Poconos Youth Member. Jovan was very fortunate and had a strong circle of family and friends who are now known as **Team Jovi!!!**.*

It is our goal to continue to work for and with the community. For this reason, our Poconos Chapter has established a scholarship to acknowledge and assist the students in our community with their future goals.
