Supply and Installation of Acoustical Towers at HUSD PAC (Rebid)

Addendum# 1 – 12/30/2025

(Total of 1 page including attachments)

1. If it is a bidder's intention to NOT use subcontractors, is there a place to note that or should they simply note 'self-performing' in the subcontractor area of the bid? Second, according to the web address noted on the bid form, there have been no addendums listed as of 12/18/25. Would you please confirm?

Regarding the listing of subcontractors: if it is the bidder's intention to self-perform the work and not use any subcontractors, please leave the subcontractors list blank in DOCUMENT 00 43 36 – Designated Subcontractors List. Do not fill in the subcontractor fields; simply sign and submit the form. If no subcontractors are listed, it will be understood that the work is self-performed.

Regarding addendums: we can confirm that no addendums have been posted to date. Please be sure to check the project website up to 72 hours prior to the bid submission deadline for any potential updates.

2. I am wondering if there is an interested/prospective bidder list for the 'Supply and Installation of Acoustical Towers at HUSD PAC (Rebid)' Project NO. 26.004 and if so, may I please view it??
