

Norman Rockwell Elementary

Construction Update #11

January 5, 2026

Rebuild & Enlarge Construction Timeline: April 2025-December 2026

Thank you for making 2025 an unforgettable year, Rockwell Beagles! All of the construction progress and changes to the school grounds this year speaks to the power of teamwork and collaboration from everyone at Rockwell Elementary and this community. Check out these two photos that are only two months apart!

Another huge thank you for your enthusiastic participation in our topping out ceremony. Everyone went bananas for hoisting the beam by chanting “Raise the Beam!” The roofing installation will begin next month to protect the building from the weather.
