Madeira District Greeting Card Winners Named

Five Madeira City School students were named winners in the district's annual Holiday Greeting Card contest. One student was chosen from Madeira High School, Madeira Middle School, and Madeira Elementary School, and two tied from Madeira Preschool.

Students were invited to enter one piece of original color artwork in the contest. Entries selected as winners best reflected the theme "A Winter Story" and our community, which celebrates a variety of holidays.

Avery Brock was the winner from Madeira High School, Hank Feichtner drew the winning design from Madeira Middle School, Vera Ervin's entry was selected from Madeira Elementary School, and Brynlee Perkins and Olivia Riel tied from Madeira Preschool.

An assortment of cards was printed using each of the winning entries, which were sent out by the Board of Education. The five students were recognized at the Madeira City School District's December school board meeting where they received a set of blank cards featuring their artwork. This is the 20th year for the greeting card contest.
