## School Counseling Services

### Elementary School Counseling Services

In our comprehensive school counseling services, students will acquire the attitude, knowledge, and skills that contribute to academic, social/personal, and career success. School counselors work in schools to:

- Teach life skills that help children succeed in school and in their personal life.
- Help resolve problems that interfere with student learning.
- Advocate for children and families and provide referrals for long-term counseling.
- Provide privacy of information shared by parents and students in a safe and confidential environment.
- Promote career development.

### Student Concerns

Please contact your school counselor with any concerns about your child, including:

- Academic performance
- Bullying
- Peer relationships
- Family changes (moving, death, divorce, separation)
- Stress
- Parenting
- Sudden changes in behavior

### **Mission**

To promote and enhance student learning.

### **Philosophy**

Based on our core values, we are committed to providing the best education possible for all students through collaboration, action, research-based practices, and equity for students and families.
