Woolwich Twp. – We are pleased to announce the appointment of Sharon Ormsbee, CPA, as Kingsway’s next School Business Administrator/Board Secretary, effective January 2, 2026. Sharon brings more than 17 years of experience in school finance and operations, including her most recent role as the School Business Administrator/Board Secretary for the Lacey Township School District, a PK–12 system serving approximately 3,900 students with an \$86 million budget.

A Certified Public Accountant, Sharon offers deep expertise in budget development, long-term financial planning, audit and compliance oversight, facilities and capital project management, personnel administration, and collective bargaining support. Most recently, she has guided Lacey Township through a complex and highly visible fiscal period, navigating significant funding challenges with professionalism, transparency, and steady leadership.

Throughout the interview process, Sharon distinguished herself not only through her technical expertise, but also through her collaborative leadership style, clear communication, and strong student-centered focus. She aligns closely with Kingsway’s leadership values of being humble, hungry, and smart, and consistently impressed interview committees at every stage of the process. We are confident that her experience, judgment, and approach will serve Kingsway’s students, staff, and community exceptionally well.

Sharon succeeds Jason Schimpf, who served Kingsway with distinction for more than 14 years as School Business Administrator. Jason played a critical role in guiding the district through some of the most challenging years of school funding and fiscal uncertainty. We are grateful for his leadership and service, and we look forward to building upon the strong foundation he helped establish.
