J. Lyndal Hughes Elementary Parent & Family Engagement Program (PFE) 2025-2026	
Our PFE	Hughes Elementary is committed to Preparing today's learners for tomorrow's world by instilling in every student the 21st century skills, attitudes, and self-confidence for personal success. We strive to provide high-quality education individualized for each student by developing and maintaining relationships with families and the community. One way we continue to do this is by participating in the Title I, Part A State Program. This program provides funding for low socioeconomic schools. In return, we promise to meet the expectations laid out for us by the Texas Education Agency and the United States Department of Education.
Funding	Title I funds will be allocated for the implementation of the parent and family engagement program. Such programs, activities, and procedures will be planned and implemented with meaningful consultation with parents of participating children.
Review	All use of funding and activities can be reviewed by the Texas Education Agency upon request to ensure they meet the needs of the PFE Program.
Our Curriculum	Hughes utilizes a high-quality curriculum that supports student success. Curriculum syllabus are available on our website at https://www.nisdtx.org/departments/academics/course-syllabi/elementary-school-syllabi
Our Assessments	Our students' learning is monitored through common formative and summative assessments of the TEKS. Previous STAAR tests are released and utilized for planning, assessment and instruction in addition to other curriculums.
Expected Achievement levels on academic Assessments	The State's Performance Standards can be found on this website: https://tea.texas.gov/student-assessment/student-assessment-results/staar-performance-standards. 7Hills monitors each child's growth throughout the year via local assessments (mentioned above). Each child has a goal folder where teachers help them track their own learning growth.
Ways to Communicate	Guardians can bring any suggestions, ideas, or concerns to the monthly parent meetings. However, if they need to meet with the administrators or their child's teacher at another time, they can email that individual person to set up a time to meet. We welcome any ideas, feedback, and concerns as we want our school to be a place where everyone feels safe and welcome.
