2026-2027 Kindergarten Enrollment at Owatonna Public Schools

Owatonna, MN – Kindergarten enrollment for the 2026-2027 school year at Owatonna Public Schools is open now.

Each of the four neighborhood elementary schools (Lincoln, McKinley, Washington and Wilson) offers a full-day kindergarten program featuring a strong curriculum and a supportive staff committed to helping every child develop their unique talents and gifts.

Enrollment is open through Friday, February 13. All kindergarten enrollments are processed online at isd761.org/enrollment. Families are encouraged to register early, as late submissions might not be able to secure placement at their neighborhood school due to space limitations.

Minnesota state law requires that all children complete an early childhood screening before entering kindergarten. Families can schedule screenings by contacting Roosevelt Community School at 507-444-7900 or by visiting isd761.org/screening.

For additional information or assistance with enrollment, families may contact the Owatonna Public Schools enrollment specialist at 507-444-8650 or enrollment@isd761.org.
