

This document will walk you through how to apply for an action team grant from Thrivent to be applied towards Mission Trips at St. Croix.

Here is the link to Thrivent's member login page. Each Thrivent member needs access to their member account. If you've have never logged in before then you'll need to create your login and password login using your Thrivent policy information.

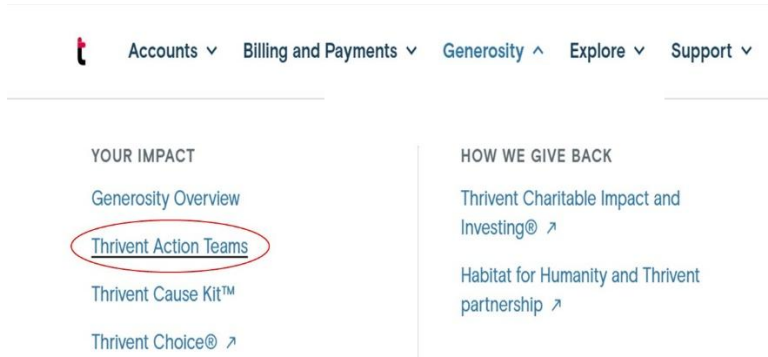

Here's the link to login.

[www.thrivent.com](http://www.thrivent.com)

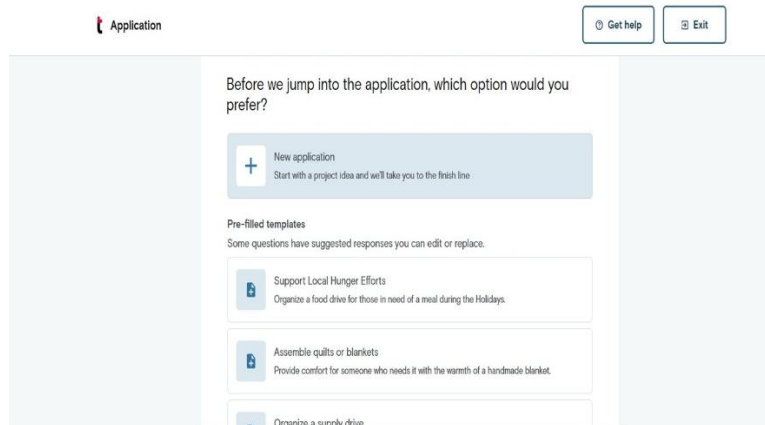

It should look something like this:

Once logged in, click on Generosity tab on the top of the page. Then click on Thrivent Action Teams.

After clicking on “let’s go” or “apply now” tab, you should see a screen that looks like this. Click on New Application.

The screenshot shows a web application interface. At the top left, there is a logo and the word "Application". At the top right, there are two buttons: "Get help" and "Exit". The main content area is titled "Before we jump into the application, which option would you prefer?". Below this title, there is a large blue button with a plus sign and the text "New application" and "Start with a project idea and we'll take you to the finish line". Below this, there is a section titled "Pre-filled templates" with the subtitle "Some questions have suggested responses you can edit or replace." There are three template cards visible: "Support Local Hunger Efforts" (Organize a food drive for those in need of a meal during the Holidays), "Assemble quilts or blankets" (Provide comfort for someone who needs it with the warmth of a handmade blanket), and "Organize a supply drive".

Follow the step by step instructions using the Thrivent Grant Help sheet to help you complete the form.

### **EXTRA NOTES:**

Grants can be written for any day of the trip, and each day a person can request a different grant, or another person can apply. This means you can apply for two or more Thrivent Action Team grants for the same mission trip; you will just need to select a different day during the mission trip for your additional application.

Once awarded Thrivent will send the start-up kit which will include the \$250 gift card to your home address. Please send the gift card to school with your son/daughter and give it to Pastor Jon. It will be used for food, gas, lodging or other expenses incurred on the Mission Trip.

The form will also ask if you'd like shirts. Please select: 2 small, 2 medium, 1 large & 1 XL
