December 19, 2025

Dear Fred H. Rohr Elementary Families and Staff:

At the December 17, 2025, Board of Education Meeting, the Board approved the relocation plan for Valle Lindo Elementary School as part of its upcoming campus modernization. The modernization project is scheduled to take place from July 2026 through July 2028.

As part of this plan, Valle Lindo Elementary will be temporarily relocated to Loma Verde Elementary and Fred H. Rohr Elementary Schools. Valle Lindo Elementary will continue to operate as its own school community, and students will not be integrated with those from Fred H. Rohr. Instructional programs, staffing, and school identity for both schools will remain separate.

The district has begun planning for the 2026–27 school year and is committed to providing additional support and resources to ensure a smooth transition for both school communities. Our priority is to maintain safe and high-quality learning environments while minimizing disruptions for students, families, and staff.

Additional details regarding logistics, campus use, and daily operations will be shared after Winter Break. At that time, principals and district staff will engage in outreach to provide information, answer questions, and gather feedback.

Thank you for your cooperation, flexibility, and continued partnership as we work together to support all students during this transition.

Sincerely,

Eduardo Reyes, Ed.D.
Superintendent

EACH CHILD IS AN INDIVIDUAL OF GREAT WORTH

19 de diciembre de 2025

Estimadas familias y personal de la Escuela Primaria Fred H. Rohr:

En su junta ordinaria del 17 de diciembre de 2025, la Mesa Directiva de Educación aprobó el plan de reubicación de la Escuela Primaria Valle Lindo como parte de la modernización del plantel. Se prevé que el proyecto de modernización iniciará en julio de 2026 y finalizará en julio de 2028.

Como parte del plan, la Escuela Primaria Valle Lindo se reubicará temporalmente en las escuelas Loma Verde y Fred H. Rohr. Durante este tiempo, Valle Lindo seguirá operando como su propia comunidad escolar y los estudiantes no serán integrados con estudiantes de Fred H. Rohr. Los programas educativos, la dotación de personal y la identidad de cada escuela se mantendrán por separado.

El distrito ha empezado a planear para el ciclo escolar 2026-2027 y se compromete en proveer apoyo y recursos adicionales para garantizar una transición fluida para ambas comunidades escolares. Nuestra prioridad es mantener entornos educativos seguros y de alta calidad, al mismo tiempo que se minimizan las molestias a los estudiantes, a las familias y al personal.

Se darán a conocer los detalles sobre la logística, el uso del plantel y las operaciones diarias después de las vacaciones de invierno. Para ese entonces, los directores y el personal del distrito se acercarán a las familias para brindar información, contestar preguntas y recabar retroalimentación.

Agradecemos su cooperación, flexibilidad e incesante colaboración en apoyo a los estudiantes durante esta transición.

Sinceramente,

Eduardo Reyes
