A note from Mr. Chris -- Let the show begin

Dear Parents, Students, and Staff,

Hello,

We had a grand celebration today to mark the end of 2025. The staff created a fantastic video to celebrate, but we honored the Queen. The PSG helped get the Big Orange ready; they sold cookies and supported the program. What a great group we have to support these special occasions. If you are interested in helping at the next event, let me know.

The holiday should be a time for rest, but not a time to stop reading. Please encourage all your children to read aloud in English for 20 minutes each day. Don't correct while they are reading; instead, go back after and give them another try.

I will be in the office a couple of days next week, then the following week only for a couple of hours each day. But if you need to meet with me, I will make arrangements.

The uniform is also expanding, with more options available. We now have a hooded sweatshirt and a cardigan sweater. We will be phasing out the old light blue shirts this fall. In January, we would like to start fresh with all new uniform options. Students will need to purchase a sweatshirt or sweater to stay warm during the day. Students will no longer be permitted to wear non-QSI jackets, hooded sweatshirts, or sweaters. **On January 5th,** only QSI Phuket Hooded Sweatshirts and Sweaters will be allowed during the school day. We have a full stock of sweaters and sweatshirts in the office if you need one.

Please feel free to use this link to book a meeting with me: Book a Meeting With Mr. Chris.

See You Soon,

Chris Fisher

Graduates of 2026

Each week, we feature graduate students from the Sec 4 class. This week's spotlight is on Beni. Let's read what his goals are for the future.

Beni is 16 years old and wants to follow his father's steps and also get into the medical industry somewhere in Portugal or Czech republic. His main goals for this academic year are to complete all his units and reach his graduation that he is very excited for.

His advice for future graduates is: "Do not keep everything to the last minute, do everything when you can. Don't be like me and learn from my mistake."

QSI Phuket: Official SAT Testing Center

QSI Phuket is proud to serve as an official SAT Testing Center, providing students from our school and the wider community with a convenient and comfortable place to take this important exam.

The **SAT (Scholastic Assessment Test)** is a widely recognized standardized test used for college and university admissions around the world. As more students pursue international higher education opportunities, access to a reliable testing location has become increasingly important.

Why Students Choose QSI Phuket for the SAT

Convenient Location

The campus is located just minutes away from *Central Festival*, one of Phuket's largest and most popular malls. Test-takers can enjoy a meal or relax before or after their exam, making the testing day more pleasant and stress-free.

Technology Support

QSI Phuket understand that not all students may have a laptop available on the testing day. QSI Phuket can provide devices for students who need them, ensuring that everyone has the tools required to complete the digital SAT.

Comfortable Testing Environment

The classrooms offer a calm, comfortable atmosphere with good lighting, comfortable seating, spacious desks, and a controlled temperature — ideal conditions for students to perform their best.

A Growing Testing Community

QSI Phuket has hosted SAT exams previously. While the number of participants was smaller in the past, QSI Phuket now welcome an increasing number of test-takers from various schools, cities, and even countries. This growth highlights the trust that students and families place in our testing environment.

Important Reminder

Although QSI Phuket is a certified SAT Testing Center, all questions regarding registration, test dates, fees, and score reports must be directed to **College Board**
https://collegereadiness.collegeboard.org/sat

Our role is to provide the testing location and support on the exam day.

Winter Festival

NO
PHONE ZONE

QSI celebrated its Winter Festival on Friday, December 12.

The event began in the Big Orange at 9:41 a.m. Secondary students were selling treat bags and popcorn, while students and teachers took a few minutes to get settled. Yoga mats were provided for younger children, and chairs were arranged for older students and adults.

At 10:00 a.m., the whole QSI community enjoyed the film *Tonight on the Telly*, which featured every student and teacher. We paused for a 15-minute intermission from 10:30 to 10:45 before continuing the show.

Students were dismissed at 11:22 a.m., marking the end of a wonderful Winter Festival celebration.

Winter Break

Our school will officially begin Winter Break on **December 13** and return on **January 5**. During this period, all classes, activities, and campus events will be paused. Students are encouraged to use this time to rest, spend time with family, and prepare for the upcoming term. The school offices will operate on a limited schedule, so please plan accordingly. We look forward to welcoming everyone back refreshed and ready for a new semester.

The Passing of her Majesty Queen Sirikit, The Queen Mother of Thailand

The Office of the Prime Minister has announced that the Bureau of the Royal Household has formally declared the passing of Her Majesty Queen Sirikit, The Queen Mother, on Friday, 24 October 2025, at 9:21 p.m., at Chulalongkorn Hospital, Thai Red Cross Society, at the age of 93. The passing of Her Majesty the Queen has cast a deep sorrow across the nation. She was more than a royal figure — she was a symbol of grace, kindness, and strength whose warmth touched the hearts of the Thai people. Her gentle spirit and lifelong dedication to the nation will be remembered with love and gratitude.

The Office of the Private Education Promotion Commission hereby requests all private schools to take the following actions, effective **25 October 2025**, as follows:

- 1. **Lower the national flag to half-mast** at all private schools for a period of **30 days**.
- 2. **Refrain from organizing any festive or celebratory events** for a period of **one year**.
- 3. All private schools are to publish Her Majesty Queen Sirikit The Queen Mother's royal duties on the main page of their school websites and organise exhibitions in honour of Her Majesty Queen Sirikit The Queen Mother.

- 4. **Request for cooperation** from all administrators, teachers, and staff members of private schools to observe mourning for a period of **one year**.

This is for your acknowledgement and implementation accordingly.

With highest respect,

(Signed)

(Mr. Monthon Phaksuwan)
