Phone _____ High school _____

Email address _____

Counselor _____

Future plans after graduation:

The Chelsea Area Garden Club, founded October 20, 1997, is dedicated to horticultural education, beautifying our city, and socializing with members who are interested in sharing their love of plants and gardening.

Our objective is to promote environmentally responsible horticultural practices and encourage conservation through education and demonstration.

<https://www.chelseagardenclub.com/>

CAGC offers \$1000.00 scholarships to high school seniors who are interested in agriculture, horticulture, the environment, climate action, and conservation practices.

Attach: Discuss a project or program that you have accomplished that aligns with the mission and values of our organization.

CAGC and counselors will select the scholarship recipient(s).
