

Process for Concerns

HOW TO EFFECTIVELY COMMUNICATE WITH STUDENT DISCIPLINE CONCERNS 6TH-8TH

WBSD understands that parents/families often have questions or concerns that need to be addressed. To prevent that frustration and obtain the most effective outcome, please follow the Chain of Communication sequence below, or visit WBSD.org/parents/safeline-numbers

Each situation should first be addressed at the level the initial action was taken, with appeals moving on to the next level in the Chain of Communication. The most effective method of communication is via email and telephone is the next preferable way.

Teachers and classrooms cannot be contacted directly during school hours by telephone. Email addresses can be found online at WBSD.org/Directory or by using the convention firstname.lastname@wbsd.org

If your questions/concerns have not been satisfied after contacting the Classroom Teacher and Assistant Principal, please contact the Principal. For general information, please call School/Community Relations at the Administration Building at 248.865.6454
