

Want to know how many Accelerated Reader™ points a book is worth?
Have a smartphone?

Points Scan for Android phones lets you scan a book's barcode with your smartphone and instantly link to AR™ info. You must already have a barcode scanner app downloaded. Both apps are **FREE** from Google Play!

.....

BookScanner lets you scan a book's barcode with your iPhone, iPad, or iPod Touch and instantly link to AR™ info.

BookScanner requires iOS 6.1 or later & costs \$1.99 in the iTunes store.
