Doby's Mill Elementary School
Parent - Student Handbook:
A Title I School
2025-2026

School Telephone Numbers

Our office phone number is (803) 438-4055. Our school fax number is (803) 438-7925. Using our automated answering system, you may dial directly to the extension of the person you are trying to reach or you may dial 0 to reach the front office. Office personnel will take messages for teachers and staff members, but may not be able to deliver them immediately. If you wish to speak with a teacher by phone, please leave a message with the office personnel or teacher voice mail. The person you are calling will return your call during a planning time or after school.

A student may use the office phone to call home in the event of an emergency.

Email

You may email your child's teacher or any employee by using the first name.last name@kcsdschools.net. For example, the email address for Ms. Lewis, our principal, is sharon.lewis@kcsdschools.net. Please note that there are a few exceptions that a staff member's email address may not follow this pattern, so please check with your child's teacher, check our website, or contact our office if needed.

Attendance Policy

Tardiness

Have you ever heard, "If you're on time, you're late?" Our instructional day begins at 7:30 a.m. **Children should be in their classrooms and ready to begin work before the tardy bell at 7:30 a.m.** When children arrive after 7:30 a.m., **a parent must sign in the student in the front office**. The student will then take a tardy pass to the teacher.

When students are tardy, they interrupt class and may miss important explanations of the assignments. Remember, missing just five minutes a day is equal to 25 minutes of lost instruction each week! Punctuality is a quality of good citizenship, therefore, **please help your child arrive on time to school each day**. If your child is late due to an emergency, please write a note of explanation.

Attendance

Student attendance is very important to your child's academic success, so please make every effort to be here and be on time each and every day!

In accordance with Board Policy JH, students will be allowed no more than ten (10) general absences during the **180-day school year**. All children are expected to be in attendance each day unless they are ill. Of course, situations do occur that prevent students from coming to school. School officials understand that these absences are necessary and, therefore, accept them as **excused absences**:

1. Illness with a doctor's note (both temporary and extended)
2. Medical/dental appointments (if at all possible, please try to make these after school)
3. Serious illness or death in a student's family
4. Recognized religious holidays

General absences include:

1. Absences for student health concerns that do not require the attention of a health practitioner (A parent note is required.);
2. Absences for non-approved out-of-town trips or activities (A parent note is required.);
3. Absences without acceptable cause or without parental permission. *

(*Students are not allowed these types of absences. Truancy is not permitted under any circumstances.) Parents of students with excessive absences or tardies will be called to meet and establish a Truancy Intervention Plan which may also be reported to the Kershaw County Mental Health Department and/or Family Court.

A note is required for all absences and must be submitted within (5) days from the date of return to school. (It is recommended that these notes be submitted in the form of a note to the teacher and/or an email to the teacher and Cathie Morgan (cathie.morgan@kcsdschools.net), our registrar - upon return to school.) The note must be signed by a parent/guardian, state the date, and reason for the absence. Medical excuses must be legitimate documents provided and signed by a licensed/certified health practitioner**. Parents are urged to schedule health appointments after school hours so as not to miss valuable instruction.**

Examples of Notes Required from Parents/Guardians:

* Notes to explain an absence, tardy, or early dismissal
* Notes to excuse the child from recess or physical education class
* Notes to grant permission to attend field trips
* Notes to allow the child to ride home with another child in a car
* Notes to change transportation procedures
* Proper form to take medication
* Notes to inform about an allergic reaction (should be accompanied by a doctor's note)

Permission to Leave School

If you must take your child from school before the close of the school day, you should send a note to your child's teacher the morning of the early dismissal. The note must state the reason for, and specify the time of, the early dismissal. For safety reasons, **no sign-outs will be allowed after 2:00 p.m.**

We DO NOT allow students to leave the school grounds without being accompanied by you or a designated adult listed on your child's pick up list in our computer system. **Also, anyone picking up any student will have to present identification to pick up the student(s).**

For safety reasons, please do not line up in the car rider area until 2:00 p.m. Also, if you are planning to volunteer, please arrive before 2:00 p.m. Please remain in the classroom until 2:30, and then exit through the front doors, which will enable the front office staff to maintain accountability for each student and visitor.

OVERVIEW OF THE SCHOOL'S CURRICULUM AND INSTRUCTIONAL PROGRAM

Doby's Mill Elementary School serves students in Pre-Kindergarten through Grade Five. Success in school and working cooperatively are emphasized at every grade level. The South Carolina standards for English, Language Arts, and Mathematics are taught, and these standards are tested by the state through the SC Ready tests each year in the Spring for grades third, fourth, and fifth. Fourth grade also takes the SC Ready assessment in Science. Other standardized tests that are given annually are the IOWA and CoGat assessments which are taken in the second grade as a part of the screening process for the district SEAGUL (gifted and talented program). District assessments are formative assessments given to progress monitor student learning and assist teachers with the implementation and pacing of the curriculum. These assessments include i-Ready and Mastery Connect tests. In all classrooms, emphasis is placed on integrated subject matter and critical thinking skills/problem solving. Our students are able to learn and enhance technical and science skills through the use of the Leadership Lab and STEAM Lab. Students also benefit from the 1:1 use of technology each day to supplement the curriculum. Our ELA and Science curriculums are HMH (Houghton Mifflin Harcourt), our Math curriculum is IReady, and our Social Studies Curriculum is Savvas or Studies Weekly. Our phenomenal Media Center, and specialist teachers in Art, Music, Physical Education, STEAM lab, and SEAGUL further enrich the instructional program. The instructional staff and administrators at Doby's Mill Elementary School believe that educating children is a team effort and, thus, hold high expectations for all students to achieve optimal learning!

Homework

The purpose of homework is to provide opportunities for students to practice skills they have learned in class to assist in developing automaticity (effective recall leading to increased working memory), as well as to develop good study habits with a positive, intrinsic work ethic, taking an initiative, showing independence, accepting responsibility, and utilizing self-direction. With the exception of reading, any homework assigned should not exceed 10 minutes per grade level each day (ex: K= 5 minutes; 1st = 10 minutes; 2nd grade 20 minutes, etc…). Daily reading should be a habit that includes a balance throughout the week of independent reading, listening to books, and/or reading together as a shared experience.

Doby's Mill Checklist for Success

✔ Ask if nightly homework is completed.
(Math, Spelling, Reading, Science, Social Studies, Writing, and SEAGUL – Monday through Thursday)
✔ Sign anything in the communication folder that requires a signature.
✔ Quiz spelling words, vocabulary, or math facts.
✔ Check the communication folder for comments, extra assignments, or parent resources.
✔ See all returned materials in the Communications Folder. Sign and return the folder.
✔ Read all communication from your child's teacher
✔ **Read to or with your child nightly.**
★ **Also, remember to regularly check your classroom and our school DoJo messages.**

Textbooks

Students may have access to one set of state-adopted textbooks as provided by the State Department of Education at no cost. Textbooks should be cared **for properly**. Students are responsible for the books and must pay fines if books are lost or damaged.

Chromebooks

Every child K-5th grade will be issued a Chromebook. There is a $10 technology fee charged to each student that will cover certain damages to the Chromebook. Chromebooks will be kept at school, in the classrooms, unless they need to be sent home for eLearning and other assignments.

After School (Be Great Academy!) Enrichment Program

We are very excited about our after school program! Boys and Girls Club, Be Great Academy, provides your child the opportunity to have supervision, homework assistance, snacks, and special enrichment activities. The program is open to students in Kindergarten through Fifth Grade and follows the school calendar. Hours of operation are 2:30-6:30 p.m. Registration for the program is online on the Be Great Academy website. There is a weekly fee for this program.

When any student who is not registered in the program is brought back by the bus or not picked up from the car rider area, a drop in fee will be assessed by the Boys and Girls Club of America.

Field Trips/Studies

When students leave the school to go on field studies, they become ambassadors for Doby's Mill Elementary School; therefore, exceptional student conduct is essential! In order to assist in maintaining the positive public image of Doby's Mill, students who have proven that they cannot continually meet the expectations of appropriate behavior in the school may not be allowed to visit places off site with less structure. Siblings will not be allowed to attend field trips or field days. A chaperone agreement must be signed by parents who wish to attend trips. All field trip chaperones must be on the Approved Level II Volunteer List. (See Volunteers/Parental Involvement.) No parent is allowed to drive separately from the school bus due to liability issues and to ensure the safety and supervision of our students.

Students who are unable to attend a field study will remain at school in a structured learning environment and will work on related curriculum activities. Likewise, students who have been suspended from riding the school bus will not be able to participate in field trips, if transportation for these trips is provided by the Kershaw County School District.

Fees for field trips must be submitted by the deadline. Please be sure to send in permission and fees prior to or on the deadline date. We can not make exceptions due to the extensive preparations that are involved in planning to take students on a field trip. Please send the **correct amount** for the field trip, since no money is kept at school. *Monies submitted after the deadline will be returned to the parent, and the child/chaperone will be ineligible to attend the field trip*. **No refunds will be issued for students who become ineligible to attend or are unable to attend a field study after payment is received.**

School Counseling/Character Education

Doby's Mill Elementary School has a comprehensive school counseling program. Our school Counselor visits classes to teach lessons on character, goal setting, decision-making, getting along with others, career awareness, safety, and other important life skills. Small group sessions are conducted for referred students to discuss topics, such as friendship, managing grief, dealing with feelings, and social skills. The Counselor coordinates the Doby's Mill Character Education program and conducts periodic parent workshops on topics of interest. Please call if you have any questions concerning the school counseling program or if you would like to schedule a conference with the school Counselor in regard to your child's achievement, adjustment, or growth and development.

Lost and Found

We maintain a lost and found area at DME. To minimize lost articles, **please put your child's name on items of clothing which he/she may remove.** (Remember to practice safety, and don't display children's names where strangers may see). All unclaimed articles will be donated to a local charity every month. Remind your child to check the lost and found if he/she is missing something.

MTSS (Multi-Tier System of Supports)

MTSS (Multi-Tier System of Supports) is a multi-tier approach to the early identification and support of students who are experiencing educational and/or behavioral difficulties. Teachers or parents can refer students if there are concerns, and the MTSS team will meet and offer specific intervention strategies while closely monitoring student progress. The team accepts referrals/suggestions from parents and teachers concerning students who are experiencing educational and/or behavioral difficulties. Students having difficulties are referred to the MTSS team and monitored using specific strategies and meetings with team members in order to help a child make academic and/or behavioral progress.

Special Services

If a student has a disability that meets state and federal guidelines he/she will be offered special education services as determined by an IEP (individualized education plan) team consisting of the child's parents and school personnel. Please contact your child's teacher, guidance counselor, intervention coordinator, or administrator to communicate a parent concern.

Health Room Services

Doby's Mill has a Registered Nurse assigned to the school. She coordinates the school health program and acts as a liaison between school personnel, community organizations, and medical resources. We have a well-equipped Health Room staffed by the school nurse/health room assistant. The health room is set up to assist students with minor first aid and minor illnesses. The nurse reports illnesses of students to parents and follows the school district policies and the DHEC exclusion policies for South Carolina schools and daycares as to whether a student should go home due to illness or injury. Students with a temperature of 100˚ or above will be sent home. All students are to **be fever and vomit free for 24 hours without Tylenol, Motrin, etc., before returning to school.** In addition, any student who is vomiting will be sent home.

For student safety, we must have your current address and phone number(s), plus another emergency number on file in the health room. The health room is also where any medication that needs to be taken during the school day is stored. The school nurse/health room assistant is trained to assist students with medication during the school day in accordance with the school district's policy (JLCD-R) for assisting students with medications.

The school district medication permission form must be completed by a parent/guardian, and a physician's signature is required for all medications taken at school. This includes **all** medications (over the counter and prescription.) **All medications (including over the counter, including cough drops/lozenges) must be in the original pharmacy labeled container. All medication (prescription and over the counter, including cough drops/lozenges) must be brought in by an adult.** **Do not send any medication with a student.** The parent/guardian must bring any medication to the school nurse and assume the responsibility of informing school personnel of any changes in the medication routine or student's health status. All current KCSD Covid protocols will be followed. Keep in mind these can change regularly.

School Lunch and Breakfast Program

The Breaker's Café staff provides nourishing, well-balanced meals for students, visitors, and staff. While students are encouraged to eat the lunches provided at school, they may bring a lunch from home. Glass containers are discouraged.

The School Food Service determines meal prices in the summer based on budgetary demands. Prices are approved by the Kershaw County School Board. **All breakfast and lunch meals are both free for all students**. In order to continue to offer this for all students, please encourage your child to eat breakfast and lunch at school each day. Breakfast is served from 7:00 a.m. until 7:30 a.m. Breakfast will be served in the classroom.

Kershaw County Schools will participate in a school choice serving line. Elementary students will be offered at least two entrée choices at lunch. One choice is typically a traditional lunch, and the second choice is a Fresh Express option which consists of a lower fat entrée. The cafeteria provides many opportunities to learn and practice social skills and good manners. At lunch, students may speak with one another in acceptable, conversational tones. Please help us by encouraging your child to participate in our breakfast and lunch programs, using appropriate behaviors and manners while eating, as well as talking with them about trying new, nutritious foods.

Volunteers/Parental Involvement

Parents, grandparents and guardians have opportunities throughout the year to support their children's education by participating in numerous activities and events. Annually, our parents and community members invest over 7,000 volunteer hours at Doby's Mill Elementary in helping to nurture the growth of our student's education. In addition to conferences, other events attended by parents are Open House, grade Level performances and awards ceremonies, Literacy (Trunk or Treat) and Math/Science - STEAM Nights, PTA meetings, Boosterthon, and many other special programs.

We invite parents and community residents to assist in the instructional programs by volunteering their time to work in classrooms, the media center, and the office, as needed. All volunteers must register and should record daily duties and hours volunteered in the school office log. The procedure for becoming a Level II Volunteer is below.

All volunteers must complete the Kershaw County School District volunteer application and be approved by the district office. **Level I** volunteers are those persons who interact with students under the supervision of a KCSD employee, such as guest speakers, field day volunteers, classroom helpers, etc.). **Level II** volunteers are those persons who may have unsupervised interaction with students such as field trip chaperones, tutors, or mentors.

Persons interested in becoming a **Level II** volunteer must complete the volunteer application using BIB as explained below.

BIB (Background Investigation Bureau) - $16.95

Kershaw County School District will no longer accept SLED checks as background checks.

1. Applying is electronic – accessible from the school and district website.
2. Visit our website to access information: http://www.kcsdschools.net/volunteer
3. Paper applications will only be accepted for Level 1 Volunteers.
4. Parents may come to the district office for assistance if they don't have a computer.
5. Application Process:
   - ❖ Parent Applies/Pays Online $16.95 using Visa/MasterCard. If you do not have a credit card, prepaid Visa/MasterCard can be used. Even with a user fee of $4-$7, the total cost is less than the current $26 background check fee.
   - ❖ BIB Processes Application/Payment BIB Conducts Background Check
   - ❖ DO Approves or Disapproves Parent
   - ❖ BIB Sends Letter & ID Card (Approval must be renewed every two years.)
6. Renewal Notice: BIB tracks, notifies parent, updates school/district, and processes renewals

Check(s) Run: Address History Trace, County Court Search (Multi-County),
National Criminal Record Locator, Sex Offender Registry

POLICIES AND REGULATIONS

Eligibility to Attend Doby's Mill Elementary School

For registration purposes, students must present a certified birth certificate, SC immunization certificate, and proof of residence in the DME attendance zone, which includes the correct and current address on driver's license, correct and current address on registration or tax document for vehicle, check stub from current employer (showing current home address), and a mortgage or lease agreement verifying the current address or a legally notarized document from the landlord along with a copy of the landlord's current utility bill. Anyone not having the proper documents will be directed to the district's residency officer.

Book Bags

For the safety of our students, rolling book bags are prohibited (with the exception of an approved medical need).

Water Bottles

Students are welcome to bring clear, plastic water bottles to school that contain water. Due to many issues and concerns, **stainless steel or glass drink containers, sodas, juice, or colored beverages are not allowed while at school.**

Dress Code

The responsibility for the dress and appearance of the students shall rest with individual students and their parents. You have the right to determine how the student will dress provided that the attire (1) is not destructive to school property, (2) complies with requirements for health and safety, (3) does not interfere with the educational process, and (4.) follows the additional guidelines listed below. You may refer to the Kershaw County School District Student Dress Code JICA-R for the entire dress code.

The administration of Doby's Mill Elementary School is committed to providing the most productive and distraction free learning environment possible for each and every student. The administration is authorized to take action in instances where individual dress does not meet the stated requirements.

Also,

1. Because of health and safety hazards, all students must wear shoes. Flip flops are discouraged.
2. Students may not wear clothing with inappropriate print language, symbols, tobacco, or alcoholic beverage advertisements.
3. Pants must be worn at the waist. No undergarments should ever be exposed.
4. **No cut-off, half, or midriff shirts are allowed.** At no time should a student's midsection be exposed.
5. No see-through shirts or blouses or spaghetti straps are allowed.
6. Hats and/or sunglasses should not be worn inside any building, unless permitted in conjunction with a school-related event.
7. **Shorts, skirts, and dresses must be worn at or about three to four inches from the top of the knee.**

****It is expected that visitors and volunteers also adhere to a professional dress code.****

Smoke Free

In accordance with Board Policy GBED, all Kershaw County schools are smoke-free facilities. Tobacco use includes smokeless tobacco products as well as other products. This means that **No smoking is allowed on campus, including in the car rider area.** Your support in this matter is greatly appreciated as we wish to model healthy behavior for our students.

Cell Phones/Smart Watches

Students are discouraged from bringing cell phones and smart watches to school. However, if they are brought to school, they **must be powered off and kept in their bookbag** from the time they enter the building until the end of the instructional day at 2:30. If a student is caught using a phone or a smart watch during the day, it will be taken and secured in the office until a parent comes to the school to pick the item up.

Student Conduct

Citizenship in a democracy requires respect for the rights of others. Our students are expected to conduct themselves in a way that the rights and privileges of others are not violated. Our school-wide character education and discipline policy is in effect throughout our school – in the car rider area, cafeteria, buses, recess, related arts, field trips, and after school programs. Consistency is very important!

School-Wide "Fin-Tastic" Rules

SAFETY: We are safe.
RESPECT: We are respectful.
ORDER: We are orderly.
ON TASK: We are on task.
PROPERTY: We take care of our property.

Address and Phone Numbers

It is very important that Doby's Mill Elementary School be able to contact you in an emergency. This information is also used by the district wide automated phone system which is used to report school closings, delays and other important news. We must have your **current address and phone number at all times**, even if your phone number is unlisted. Please notify the school attendance secretary (Cathie Morgan) if you change your address or phone number. This information is confidential and necessary to ensure vital communication between home and school.

Transportation – Car Riders, Day Care, Buses

Students are encouraged to ride the bus to and from school whenever possible. Our school has many car riders, and congestion in the mornings often creates lines and delays. Please drive with care, love, and patience and obey the crossing guard and duty teachers. Buckle up!!

Car Riders

Student car riders are encouraged to arrive and be dropped off between 7:00 a.m. and 7:30 a.m. If students are not exited from the car and walking into the building before or by 7:30 (according to the official school time) the parent/guardian will need to drive around to the front of the school and come into the office to sign their child in as tardy. Our teachers need to be in the classrooms as our instructional day begins at 7:30 - so PLEASE plan to drop your child off prior to that time. We will do our very best to keep the car rider line moving.

Students should be IN their classrooms at or before 7:30 am. No child should arrive before 7:00 a.m. or be unsupervised. All children under the age of 13 should ride in the back seat. It is vital that all parents follow procedures and use the car rider area safely. **Students should never, under any circumstances, be dropped off in any school parking lot**. Students should exit cars on the passenger side at the sidewalk then follow on the right side of the sidewalk line to the doors. Please have your children practice entering and exiting the car independently. The Kershaw County Sheriff's Department will ticket all violations. Seatbelts must be worn by all passengers in vehicles. "Buckle Up," and be safe!

Walkers

Students from our surrounding neighborhoods are welcome to walk to school. Please enter the school grounds using the sidewalk and stay on the sidewalk all the way to the school. For the safety of our students, please do not bring animals on campus when you are dropping off or picking up a student. If you need assistance, please come directly to the front office.

Car Rider Afternoon Pickup

Afternoon dismissal is 2:30 p.m. Students should be picked up in the car rider area (at the back of the school). As parents arrive, students are called to come to their cars, which allows student safety and accountability. **Please have the car tag provided to you by your child's teacher in the front dash area of your vehicle to expedite the car rider line. For safety reasons, please do not come into the building to get your child, unless you do not have your car tag, as this will delay the dismissal process. If at all possible, students will need to enter and exit cars independently. Also, please remain in your car at all times. Staff will assist students who need help.**

PLEASE remember to DISPLAY YOUR CHILD'S NAME ON THE DASH OR VISOR EACH DAY! For the safety of our students, please keep your child's name visible until your child is in your car. Vehicles without car rider tags will have to report to the main office to pick up the student.

Changes in Transportation

Students **must have notes** from home **in the morning** stating any changes in the day's transportation. Due to safety issues, we discourage emails and DoJo messages as a teacher may not see these during the day, especially if the teacher is absent. Also, phone messages should only be used in an emergency situation. In addition, if your child cannot ride the bus due to disciplinary action, you must send a note indicating how your child will go home. **ALL TRANSPORTATION CHANGES MUST BE SENT BY 1:00 TO ENSURE THE MESSAGE IS RECEIVED.**

Please be prepared for potential delays in the car rider area (especially the first couple of weeks of school).

Please be patient, buckle up,
and drive with caution and LOVE!

Car Rider Safety

It is vital that you practice safety at all times. PLEASE make sure that your child, other students, Safety Squad members, and teachers are away from your car before you move. It is a good practice to put your car in park before a student enters or departs your car. **Also, no student drop-offs will be allowed from the parking lot.** Students are allowed to exit to the sidewalk only!

School Bus Riders

School bus transportation is a **privilege** that may be withdrawn for inappropriate or unsafe behavior. We have excellent drivers who work with students before a referral is made to the school's administration for assistance. If discipline problems occur on the bus, the driver will complete a disciplinary report and submit it to the school for appropriate action in accordance with the Kershaw County School Bus Discipline Code. If your child is suspended from the school bus, you must send a change of transportation note indicating how your child will go home. A copy of the school bus referral will be sent to the parents via the student, or mail, and/or the parents may be phoned regarding the incident. If the problem persists, students may be suspended from riding a bus.

Rules for Safe Bus Riding

1. Safety rules are enforced on the bus.
2. Board the bus in an orderly manner and remain seated. If seats are assigned, sit in your assigned seat.
3. Remain seated at all times while the bus is in motion.
4. Keep arms, hands, feet and other body parts inside the bus and to yourself.
5. Do not throw things on the bus or from a bus window. Keep the bus clean and sanitary.
6. Keep books, packages, coats, and other objects in your lap and free from the aisle.
7. Be on time at your designated bus stop. Buses are unable to wait for children.
8. If no one is at the bus stop to receive children, they will be returned to school and sent to the after school program. A daily fee will be assessed by the Boys and Girls Club.
9. Do not bring onto the bus large objects (i.e., projects) or objects prohibited by district policy.

As A Parent, How Can I Assist In The School Bus Efforts?

1. Ensure that your child understands his/her responsibilities when riding the bus.
2. Parents can take turns monitoring local neighborhood school bus stops.
3. While driving your car, be alert for school buses and stop while the bus is loading or unloading children.
4. Report violations of school bus drivers to the Elgin Transportation Office, giving bus number, location, and time. You can reach **Mrs. Vanessa Garza, Bus Supervisor, at (803) 438-2135 or fax her at (803) 408-1067.**

What If My Child Misses The Bus?

If a child misses the bus, it becomes the responsibility of the parent to get their child to school on time.

DME, in partnership with parents and families, will do our best each day to love, nurture, and educate each child who enters the building.

Thank you for sharing your child with us!

Doby's Mill Pledge
We Pledge to:
Serve and respect others.
Take **P**ride in our accomplishments.
Learn all that we can.
Accept responsibility for our actions.
Use **S**elf-discipline in everything we do.
Practice **H**onesty always.
SPLASH!

Doby's Mill School Song
(Tune of "Zippidy-doo-dah")

We are the Dolphins, eager and brave, striving
for excellence by catching the W.A.V.E.

Creative and brilliant, honest and true,
Doing our best work is what dolphins do!

Doby's Mill is quite "fin-tastic."
We are proud; we're smashing,
See us grow and watch our splashing!!

Doby's Mill Dolphins are second to none.
Our school is where learning can be so much fun!

The **vision** of Doby's Mill Elementary School is to create a safe and enriched learning environment that promotes Winning Attitudes and Visions of Excellence with confidence, creativity, and success for everyone.

The **mission** of Doby's Mill Elementary School, in partnership with our community, is to provide a safe, nurturing, and innovative learning environment that empowers students with knowledge and skills to become self-disciplined, responsible, and productive citizens.

I have read the 2025-2026 student handbook. I understand the policies and procedures that will be followed by Doby's Mill Elementary School.
I agree to follow the policies and procedures set forth by Doby's Mill Elementary School.
