

12-19-25

Dear Families,

What a fun week in First Grade! The students had so much fun at our party, celebrating the Rock Star Award and PBIS reward. It was so nice to see so many of you at the party on Wednesday. A big thank you to all of you that sent in supplies! Today, students participated in Explore Your Passion. Ask your child about their special activity. Happy Holidays from First Grade! We hope you get to enjoy extra time with the people you love. We will see you in 2026.

* Over the break would be an excellent time to wash coats and book bags.

Calendar Updates

December 20 - January 5- Winter Break

Take Part in Northwood's Winter Break Challenge!

During the break consider our Winter Break Challenge which includes an activity to complete each day of the break. You can choose from iReady, Greg Tang Math challenges, reading and math fact practice.

You can use any of the Greg Tang activities that are attached to this email or use this interactive [Grade 1](#) game board.

Attached to our weekly blast you will find the Winter Break Challenge form and Greg Tang math games. **Students who bring their signed Winter Break Challenge form and turn it in to Ms. Evangelista after the break will receive a special surprise!** If you are unable to print you can still participate in the fun and email your child's teacher or Ms. Evangelista (evangelista@fultonschools.org) to let us know you participated. Enjoy your break!

iReady and Amira Reports

Yesterday your child's iReady and Amira winter diagnostic report was sent home in the folder.
