Ingenuity students at the ANEW Project Event last year

Welcome Back

and happy New Year! We hope everyone enjoyed a restful winter break and is feeling refreshed as we begin the new year together. January is a great time to reset routines, refocus on goals, and start strong as we head into the second half of the school year. We hope you have those vision boards from our last family event hanging up in your home and are ready to manifest everything you dreamed of!

As we return, we look forward to continued growth, learning, and connection within our school community.

Incentives at Ingenuity

Students who log in daily and complete 1 credit per month will receive a prize (movie tickets, arcade game cards, gift cards, etc)

Don't Forget...

Students should be logging in **every day** and completing about **5 hours of work**, a minimum of **15 activities daily**.

1 credit per month is the goal!

Teacher Shout Out

Ms. Rhoades

This month our teacher shout out goes to Ms. Rhoades, our CTE Teacher.

Ms. Rhoades teaches the Digital Design class at Ingenuity and O'Farrell. Her students even created the template for this newsletter! (See their names on the side panel)

You can find Ms. Rhoades on site at the OCS campus in room 107. Her class at Ingenuity runs all year and prepares students for a future in Design, Visual, and Media Arts. Check the website or with your teacher for the start date for her next class.

See next months newsletter for the student shout out!

Download the App!

Stay up to date with all the latest school news, events, and announcements by downloading our Ingenuity Charter School App! You can easily access calendars, important updates, and send messages—all in one place. Search "Ingenuity" in the App Store or Google Play to get started today!
