Tuesday, January 6, 2026

- Are you a motivated junior or senior entertaining the possibility of a career in law, oil and gas, city planning, or wildlife biology? Gifted mentorships allow ASD students to experience independent study under an expert in the field while earning elective credit. To learn more, attend a short presentation in the ERHS Library during lunch on January 13th.
- Are you interested in Diplomacy, International Relations, or the United Nations? Eagle River High School's Model UN club will be meeting this Wednesday in preparation for the Spring Conference at UAA during lunch in room A204. See Mr. Turner or Mrs. Yadao if you have any questions.
- Join our Eagle River Wolves hockey team for the Pink Out Game as they take on Chugiak High School at the Mac Center tonight at 7:30 PM. This special night is to raise awareness for breast cancer and support those who are fighting because cancer never quits, and neither do we. Wear pink, bring your friends, and support our community! There will be door prizes! Hope to see you there!
- Wolves—The new year is a cue to be a better you. Resolve to help keep our planet clean and healthy by recycling. The Recycling Crew encourages you to empty your containers before putting them in the bins—and cans and bottles only. Better yet, do more and talk to Mr. Holloway about joining the Recycling Crew. It's a beautiful world, let's not waste it!
- If you're interested in attending a Junior Hockey Wolverines game this week, Mr. Helvey has tickets for this Thursday's game. Please stop by his office to pick up free tickets.
- Today's Lunch:
