Recertification Day is August 13th

1001 E. Mt. Faith Ave. Fergus Falls, MN 56537

Ukeru, (the Japanese word for "receive") is a restraint and seclusion-free crisis management method. Ukeru was developed out of necessity to create safe environments for both staff and students/clients.

THE 2 DAY TRAINING WILL INCLUDE:

Ukeru training, which is customized for every organization, will teach your staff:

- Trauma-informed practices
- Managing and de-escalating conflict by converting/diverting aggressive behavior
- Building an environment focused on comfort rather than control
- Physical techniques including stances, releases, blocking, and redirection
