SUMMER SAFARI

KINDERGARTEN THROUGH RISING 9TH GRADE

JOIN US!

The **Summer Safari Program** is a full-day program which includes academic classes in the morning and traditional camp-style activities in the afternoon.

Our academic segments for Lower, Middle, and rising 9th grade students offer a review of fundamental skills in reading, written expression, and math. Classes are taught by Howard School teachers using differentiated, multisensory methods that include technology, games, and direct instruction.

Exciting News!

Summer Safari is Expanding!

For the first time ever, The Howard School's **Summer Safari camp is open to siblings** of enrolled Howard School students and to students across metro Atlanta who would benefit from our supportive academic and fun program. If you know a family whose child would thrive at Summer Safari, please share our camp brochure with them!

SESSION 1

June 1-12, 2026

8:30 am - 3:30 pm

SESSION 2

June 15-26, 2026

8:30 am - 3:30 pm

Lower Learning Program

Rising K-1st

Rising 2nd-3rd

Rising 4th-5th

The Summer Programs' primary goals are to provide reinforcement of skills in language arts, reading, writing, and math skills, using methods that include Orton-Gillingham, Project Read, Open Court Reading, and Singapore Math.

Each class will have a Howard School Lead and Support Teacher, providing a low teacher-to-student ratio, hands-on, multi-sensory learning, and inventive teaching. Afternoons will consist of traditional camp-style activities such as Arts & Crafts, Gym Games, Sports, Video Game Room, Drama, etc.

Two-Week Session

\$1,150

Early Bird sign-up through
January 30, 2026

Lunch

A nutritious lunch will be served daily for all campers. The menus provide something for everyone and include complete ingredient lists for each item to ensure food allergy management.

Snacks

Two healthy snacks will be provided daily. Students are encouraged to bring a water bottle and additional snacks if needed.

Middle School Program

For students in rising grades 6th–8th

Battle summer brain drain in the Middle School Summer Program! These sessions reinforce skills in reading, writing, math, and executive functioning in a hands-on and engaging environment.

Each week centers around three off-campus field experiences, with students tying in their reading, writing, and math skills to their field experiences. On the days where no field experiences are scheduled, the afternoons will consist of traditional camp-style activities such as Arts & Crafts, Gym Games, Sports, Video Game Room, Drama, etc.

Rising 9th Grade Program

The Rising 9th Grade Transition Summer session orients students to The Howard High School, a typical High School day, and expectations of the High School program.

The summer program helps students maintain the skills learned in 8th grade, introduces them to High School faculty, and gives them the confidence to be able to succeed in High School.

Off-campus field experiences will be included, as well as the traditional camp-style activities on days where no off-campus field experience takes place.
