HOW TO EFFECTIVELY COMMUNICATE WITH ATHLETICS

WBSD understands that parents/families often have questions or concerns that need to be addressed. To prevent that frustration and obtain the most effective outcome, please follow the Chain of Communication sequence below, or visit [WBSD.org/parents/safeline-numbers](https://www.wbsd.org/parents/safeline-numbers)

Each situation should first be addressed at the level the initial action was taken, with appeals moving on to the next level in the Chain of Communication. The most effective method of communication is via email and telephone is the next preferable way.
