

DIOCESE OF CHARLOTTE
CATHOLIC SCHOOLS

Dear Charlotte Catholic Community,

Last month, our search firm partner, Partners in Mission, introduced a strong slate of candidates for the Search Committee to consider for the role of President of Charlotte Catholic High School.

Following careful review and discernment, the Search Committee advanced a select group of highly qualified leaders to the semi-finalist stage of the interview process. The Search Committee interviewed these semi-finalists and among them, selected a finalist to advance and visit Charlotte Catholic High School in January.

The school visit will include meetings with a range of constituents across the Charlotte Catholic community, providing opportunities for meaningful engagement and dialogue. Shortly after the conclusion of the finalist's visit, the Search Committee will reconvene to review all information gathered throughout the process. At that time, the Committee will finalize its recommendation to the Catholic Schools Office and Bishop Martin.

We are moving forward in an intentional manner toward the appointment of the next President of Charlotte Catholic High School and remain confident in the strength of the candidate being considered at this final phase.

On behalf of the Search Committee, thank you for your continued interest, support, and prayers as we move toward the successful conclusion of this important process.

Sincerely,

Michael Miller
Chair, Presidential Search Committee
