

2026 Georgia School Climate Survey
Help us meet the required parent/family participation goal by taking this survey!
Your feedback identifies strengths, areas for improvement, and provides data-driven insights for schools.

¡Ayúdenos a alcanzar el objetivo de participación de los padres/familias respondiendo a esta encuesta!

Sus comentarios identifican los puntos fuertes, las áreas de mejora y proporcionan información basada en datos a las escuelas.

Welcome to AP, IB, & Dual Enrollment Information Night

Tuesday, January 13, 2026

Centennial offers three options for rigorous coursework: Advanced Placement (AP), International Baccalaureate (IB), and Dual Enrollment.

Students and families can choose from all three to find the option that best fits their student's goals, interests, and learning style.

Whether a student decides to take all or some AP courses, pursue the full IB Diploma, earn IB Certificates, enroll in Dual Enrollment courses, or even mix AP, IB, and Dual Enrollment options, the choice should reflect what works best for the individual student.

Dual Enrollment

- Structure: Students take actual college courses while still in high school.
- Goal: Earn both high school and college credit simultaneously.
- Workload: Comparable to college courses; requires maturity and time management.

DUAL ENROLLMENT INFORMATION NIGHT

JANUARY 15, 2026

**6:00P–7:00P
VIRTUAL MEETING**

<https://tinyurl.com/CHSDENight26>

Advanced Placement (Daniel Brown, AP Coordinator)

- **Structure:** College-level courses taught in high school by high school teachers; most courses 1-year long
- **Focus:**
 - Learn subjects in greater depth
 - Develop analytical reasoning
 - Build disciplined study habits for college success
- **Flexibility:** Students can choose individual AP courses
- **College Credit:** Granted based on AP exam scores (varies by college).
- 29 available courses offered at CHS in all content areas

International Baccalaureate (Andrea von Biberstein, IB Coordinator)

- **Structure:** A two-year, comprehensive college preparatory program for 11th and 12th grade students.
- **Focus:**
 - Student-centered, inquiry-based learning, and interdisciplinary
 - College level content with depth over breadth
 - Emphasizes critical thinking, research, communication, social and self-management skills
 - Project-based with strong student discourse
- **Flexibility:** Full IB Diploma (Magnet) or individual courses
- **College Credit:** Based on IB exam results; recognized worldwide

IB DIPLOMA MAGNET PROGRAMME

Where do we go now?
