## **SUPPORT MOUNTAIN VIEW ELEMENTARY FOOD PANTRY**

**“CARE CORNER”**

**Since 2021, Mountain View Elementary has been serving a portion of our elementary student population with weekend meals from October thru June. Student council helps to unpack and organize donations. They also, pack bags and delivery them weekly to the homerooms of the recipients. Guidance counselors assist families and students in signing up, and teachers and staff help make sure the bags get into the hands of those signed up. It is a well oiled machine only made possible through teamwork and community support. Our goal is to keep this fabulous program in our school and community going. We cannot do it without the help and support of our wonderful staff and community of donors. Thank you all for getting us through each year! Below are 3 ways to donate.**
