

The purpose of this document is to outline the AVDC goals for the 25/26 year. These goals encompass both long-term and short-term objectives.

Goal #1

- The AVDC will work to increase state CTEI funding by 10% year over year.
 - AVDC members will interact with at least two state or federal legislators each year
 - AVDC members will cultivate at least two new business relationships each year that are willing to advocate for the importance of CTE.
 - AVDC members will provide at least one written or spoken testimony to ISBE

Goal #2

- The AVDC will work to raise awareness about inequitable dual credit practices that impact its members.
 - AVDC members will provide dual credit information to create a database of dual credit opportunities.

Goal #3

- The AVDC will work to improve CTE teacher recruitment and retention
 - AVDC members will share best practices on individual recruitment and retention efforts.
 - The AVDC will collaborate with ISBE to develop a 3-circle model that prioritizes professional development and enhanced student engagement.

Goal #4 (Short Term)

- Update the [AVDC Bylaws](#)
