## Volunteer Application Packet

Updated and Revised 2025.12.03

Previous versions and forms are no longer valid.

The ACA volunteer application:

1. is a personal application. DO NOT complete an application for another person including your spouse.
2. will be taken seriously! DO NOT misrepresent or omit facts, either intentionally or accidentally. ACA reviewers cannot determine your original intent. Omissions or misrepresentations will cause the application to be denied.
3. requires an annually recurrent, complete declaration of ANY criminal history. ALL criminal history, no matter how insignificant to the applicant, and no matter when the occurrence, will be considered. If you are in doubt of whether an item might appear on your criminal history review, check "yes" under the item which asks about criminal history. ACA reviewers will check your criminal history and make a determination of eligibility. If you check "no" and any criminal history appears, your application will be denied for that application period at a minimum.
4. is filed yearly based on the school year with all applications from the prior year expiring on August 31<sup>st</sup> of the next school year. Prior service as a volunteer the previous school year or years, does NOT automatically guarantee volunteer status the next school year. Volunteer applications MUST be validated on an annual basis.

**I have read and understand these statements. I understand that failure to follow these directions will cause my application to be denied.**

## Welcome

We want to thank you for your interest in volunteering at ACA; volunteers are the heart of ACA. Volunteers make so many things possible that would either go undone or have a great budgetary impact. The volunteer's efforts directly enrich our children's educational experience at ACA. ACA deeply appreciates our volunteers.

## When are volunteer packets accepted?

Volunteer applications are accepted during regular ACA business hours two periods per school year:

- July 15 through September 15 of each school year
- January 15 through February 15 of each school year

If a volunteer application is received outside of these dates and times, other than an application related to a newly enrolling student, it will be destroyed for reasons of privacy for the applicant. Incomplete applications or those lacking a copy of the driver's license cannot be processed and will be destroyed for reasons of privacy for the applicant. If either September 15<sup>th</sup> or February 15<sup>th</sup> occurs on a weekend, applications that are complete with all necessary documents and signatures will continue to be accepted if mailed or sent by email with a corresponding date/time stamp that occurs before midnight on the 15<sup>th</sup>. Late or incomplete applications submitted will not be processed and the applicant should reapply during the next enrollment period.

Applications received outside of the regular application periods that pertain to newly enrolling students must be received by ACA central administration within 10 business days of the student's enrollment. Applications related to newly enrolled students that are received outside of these guidelines or are incomplete and not corrected within 10 business days will be destroyed to protect the privacy of the applicant.

## Who must apply to be a volunteer?

If you regularly help at ACA and you meet one of the following criteria:

- You are a parent, grandparent, or guardian performing volunteer work **and may be unaccompanied at any time by an ACA employee while performing your volunteer duties.** (examples: drop-off and pickup, Dad's Club, classroom help, cafeteria help, field day help, field trip chaperones, auction, etc.)
- You are not a parent, grandparent, or guardian of an ACA student enrolled on the campus where you will be volunteering.
- An ACA Administrator requests that you complete a volunteer application

## How do I apply to be a volunteer?

There are forms and an attachment that must be completed and turned in. These are:

- 1) Arlington Classics Academy Volunteer Application and Criminal History Check Authorization, and
- 2) DPS Computerized Criminal History Verification Form
- 3) A copy of your driver's license attached to the Criminal History Verification Form.

Completed forms and a copy of your driver's license should be sent to the Office of Human Resources, ACA Administrative Offices, 5206 South Bowen Road, Arlington, Texas 76017. The ACA Administrative Offices are in the house-like structure in front of the castle and to the left of the Bowen campus. Your application will NOT be processed unless ALL requested items are filed. If you omit providing a copy of your driver's license, we cannot process your application and it will be destroyed to protect your privacy. We will attempt to contact you by email to notify you of the deficiency in your application, but we do not guarantee this. It is the volunteer's responsibility to file a complete application and to check the progress of approval of their application.

## How does the process work?

Complete the required forms and turn them into the Human Resources Office of the ACA Administration Offices. A computerized criminal history verification check will be performed by accessing the Texas Department of Public Safety Secure Website. The results of this search will be reviewed against the ACA Criminal History and Background Review Procedures. The Director of Human Resources or their designee will notify by email applicants who meet the standards and place their names on a Registered Volunteer List. Applicants who do not meet the standards will also be notified by email and may appeal the decision based on the appeal policies and procedures. **Applications which do not include the required email address of the applicant will not be processed because they are incomplete.**

## How long does the process take?

Please allow two to four weeks for processing of your application. Every effort will be made to process your application in a timely manner.

## What happens if I have a criminal history that appears during the DPS Computerized Criminal History Verification process?

The Director of Human Resources reviews the criminal background information and determines volunteer eligibility for each applicant based on the Criminal History and Background Review Procedures. Criminal history remains on a person's criminal record for a lifetime. If you have sought an attorney's assistance to expunge a part of your criminal history, please check your record independently through DPS to verify the changes did occur. If you are unsure, always check "yes" in the section of the application that asks for you to declare your criminal history. If no criminal history is found, there is no harm in checking yes. However, if criminal history is found, checking "yes" allows your application to proceed for consideration based on what is found in your criminal history. Checking "yes" prevents an application from someone who is unsure of their criminal history from being denied due to an incorrect declaration of "no".

**If an applicant fails to indicate that they have prior criminal history, either by not answering the question, or by indicating "no" when in fact criminal history for the applicant exists, the application will be denied. The type of criminal history does not matter in this instance as importance is placed on a complete and proper declaration by the applicant.**

## How will I be notified of my eligibility status?

Eligible applicants will be emailed a notice of their approved application and will be placed on a registered volunteer list that can be viewed by the campus administrative staff. A valid email is required to complete the volunteer application. Ineligible applicants will be emailed information about the appeal process.

## If I am deemed ineligible, can the details of my application be disclosed to me?

No, the Director of Human Resources has received specialized training and permission from the Texas Department of Public Safety to access Computerized Criminal History and is prohibited from sharing this information with anyone, including the applicant.

## What information does ACA keep on file?

ACA will keep the Arlington Classics Academy *Volunteer Application and Criminal History Check Authorization* and the *DPS Computerized Criminal History Verification Form* on file for every applicant during their term of service or no longer than the last day of August in the succeeding school year. This provides an audit trail of all volunteer applications, which we are required to maintain.

## What are the privacy protections over the information kept on file?

A list of approved volunteers is provided to the administrative staff of each campus. ACA is an open enrollment public charter school. As such, the Texas Open Records Act applies to us. Data on approved volunteers may be subject to release under the Texas Open Records Act. The data that we maintain on approved volunteers is the following "directory" information: Applicant's name, address, telephone number, and electronic mail address.

Each applicant will be given the choice to opt in or out of sharing "directory" information with third parties.

Our records are subject to audit by the Texas Department of Safety, Texas Education Agency, and other State and Federal government authorities. Review of records during an audit is not considered disclosure to a third party.

## What if I have completed a DPS Computerized Criminal History for an employer or another agency as a volunteer? Do I still have to fill one out for ACA?

**Yes, we are required by Texas Education Code 22.0835 to obtain all criminal history record information that relates to a volunteer or person who has indicated, in writing, an intention to serve as a volunteer with ACA.** We must have written authorization from you to perform the necessary review of your DPS Computerized Criminal History.

## What happens if I do not have a form of identification issued by the U.S.?

There are some extra steps in the process for non-U.S. citizens. Please complete the application packet and contact our Human Resources Office at 817-987-1819. You will need to bring in your passport and a photo I.D. to our Administration Offices at 5206 South Bowen Road, Arlington, Texas, 76017. Other documents may also be required to verify your status as a volunteer.

## How often does ACA require a volunteer to reapply?

Volunteers are required to complete a new volunteer application each school year including a copy of their driver's license to our Administration Offices at 5206 South Bowen Road, Arlington, Texas, 76017.

## General Definitions and Expectations

1. A "registered volunteer" is a person rendering services for or on behalf of the Arlington Classics Academy on Arlington Classics Academy premises or at an Arlington Classics Academy sponsored or related activity on or off Arlington Classics Academy property who does not receive compensation in excess of reimbursement for expenses.
2. "Visitors or Guests" are individuals who are not registered volunteers but may still participate in their student's activities, such as class parties, lunchtime visits, and any other activities where the student's teacher or another ACA faculty member is present at all times providing supervision.
3. All registered volunteers must have a completed Criminal Records Check on file with the Arlington Classics Academy prior to volunteering. The criminal history must be reviewed and validated prior to an individual volunteering at the school. Criminal histories will be reviewed in accordance with the "Criminal History and Background Review Procedures".
4. All registered volunteers must sign in at the front desk and affix a volunteer sticker to the front of their clothing before proceeding on to their assignment. The sticker must be visible and worn on the clothing at all times while at the school. For school events held off campus, volunteers must identify themselves as required by school personnel coordinating or organizing the event.
5. Registered volunteers may not grade student papers. A volunteer may mark specific answers or exercises but shall not assign grades to papers. Registered volunteers agree to keep any student information confidential and may be removed from registered volunteer status if confidentiality is breached.
6. The Director of Human Resources or the designee of the Board of Directors reserve the right to reject any volunteer for any reason not prohibited by statute.
7. Registered volunteers should
  - agree to follow all policies of the Arlington Classics Academy;
  - never be alone with a student unless that student is their child;
  - not discipline a student;
  - never give medication or medical treatment to a student other than their own child except as immediately necessary to protect a student from loss of life or serious bodily injury.

## How may I appeal a declination of my volunteer application?

The initial decision of whom to approve as a volunteer will be made by the Director of Human Resources or their designee. Each prospective volunteer will apply using the Volunteer Application. After consideration by the Director of Human Resources or their designee, a list of registered volunteers will be prepared and kept on file by the Director of Human Resources or their designee.

If a person's volunteer application has been rejected for any reason and they wish to appeal the decision, they must file a written request for appeal to the Director of Human Resources along with the following documentation:

- proof of application for fingerprinting and payment of the required fingerprinting fee.
- All police records, court records or dispositions, or any other records that pertain to the matter for which a volunteer applicant wishes to appeal including any personal references from current employers, clergy, or others who may attest to the applicant's character.
- Written permission for the applicant's criminal history to be discussed openly with them or other school officials during the appeals process.

## What are ACA's Criminal History and Background Review Procedures?

### ACA Criminal History and Background Review Procedures

1. Per Texas Education Code (TEC) sections 22.083-22.0835 and ACA legal and local policy 600.060, all volunteers and employees will undergo a criminal history search background check performed through the Department of Public Safety. Any exempted categories of volunteers within the TEC must still undergo a criminal background check per Arlington Classics Academy's local procedures to ensure the safety and security of all ACA students and staff.

## DPS Computerized Criminal History (CCH) Verification Form

I, \_\_\_\_\_  
APPLICANT or EMPLOYEE NAME (Please Print) (Also sign and date in the blank at the end of this form)

have been notified that a computerized criminal history (CCH) Verification check will be performed by accessing the Texas Department of Public Safety Secure Website and will be based on the name and date of birth information I supply.

The name and date of birth information is not an exact search and because only fingerprint record searches represent true identification to criminal history, the organization conducting the criminal history check is not allowed to discuss any information obtained using this search method. Therefore, the agency may offer the opportunity to have a fingerprint search performed to clear any misidentification based on the name search, if the search provides a criminal report I know could not be mine.

For the fingerprinting process, I will be required to submit a full and complete set of my fingerprints for analysis through the Texas Department of Public Safety AFIS (automated fingerprint identification system). I have been made aware that in order to complete this process I must have the correct fingerprinting (FAST) form from this agency, make an online appointment and submit a full and complete set of my fingerprints, and pay a fee to the fingerprinting services company. Once this process is completed and the agency receives the data from DPS, the information on my fingerprint criminal history record may be discussed with me.
