A Great Place to Start!

Dear Parents and Guardians,

It is with immense joy and excitement that we welcome your child—and your whole family—to the wonderful world of Kindergarten at Gockley Elementary! This is a monumental year, marking the official beginning of your child's educational journey, and we are thrilled to embark on it together.

Our classrooms are a place where curiosity is celebrated, questions are encouraged, and learning is an adventure. In Kindergarten, your child will learn foundational literacy and numeracy skills, but perhaps more importantly, they will learn how to be a successful student: how to share, how to listen, how to problem-solve, and how to make lasting friendships. Instruction focuses upon standards-based, active learning while fostering a love for school.

We believe that a strong partnership between home and school is crucial for a child's success. Your child's teacher will communicate with you weekly, and we will share school updates and important reminders throughout the year. Please follow us on Facebook and Instagram at [wcsdgoekley](#) for highlights of our day to day and special events.

We can't wait to meet our newest class of bright, energetic learners who will become the graduating class of 2038-2039!

Warmly,
