

CMS Title 1 Overview

Central Middle School receives Title I federal funds based upon the percentage of economically-disadvantaged students who were enrolled on October 1st of each year.

Title I, Part A provides financial assistance to school districts and schools with high numbers or high percentages of low socioeconomic status children to help ensure that all children meet challenging state academic standards.

Under Title I, local educational agencies (LEAs) are required to provide services for eligible private school students, as well as eligible public school students. In particular, Section 1120 of Title I, Part A of the Elementary and Secondary Education Act (ESEA), as amended by the No Child Left Behind Act (NCLB), requires a participating LEA to provide eligible children attending private elementary and secondary schools, their teachers, and their families with Title I services or other benefits that are equitable to those provided to eligible public school children, their teachers, and their families.

For the 2025-2026 school year,
Central Middle School received the
following dollar amounts:

School Improvement Plan

The key components of our plan that will lead to school improvement include:

- High quality curriculum and assessments in all grades.
- High quality professional development for all teachers on the selected curriculum.
- Teacher preparation partner to address our schools' greatest workforce needs.
- Pipeline of school-based expertise through leadership roles.
- High school planning partner to support the creation and implementation of Individual Graduation Plans (8th Grade)
- Collaborating with our District Leaders to support improvement around student engagement.
