

---

January 2026

Dear Incoming Kindergarten Families,

The administration, faculty, and staff of Fairfield Public Schools are excited to welcome our incoming 2026-2027 kindergarten students. Please see below for important information regarding the registration process.

### **Kindergarten Entry Age**

**Please note that all kindergarten students must be 5 years old by September 1 to be eligible for kindergarten enrollment.** If your child is not five years old on or before September 1 but will turn five before January 1, 2025, you may submit a written request for early admissions. To request early admissions, please follow the process outlined [here](#).

### **Registration Process**

Registration will take place at our Central Offices, located at 501 Kings Highway East, Suite 210, beginning on **January 12, 2026**. Prior to your meeting with the registrar, you must log on to our district's website, [www.fairfieldschools.org](http://www.fairfieldschools.org), click *Student Registration*, and complete the following steps:

- Select *Registration*
- Select *Grades K-12*
- Select *Start the Pre-Registration Process*
- Read the complete registration guidelines. Select *I read and understood the registration guidelines*. Follow the remaining prompts, which will ask for your family's information to complete the online pre-registration application.
- Make an online appointment with the Registrar. If you are unable to schedule an online appointment, please contact us at 203-255-8242 to reserve a date/time.

On the date of your appointment, we ask that you bring the following documentation to finalize the registration process:

- Your child's *original* birth certificate or passport
- A current mortgage statement, deed, property tax bill, or complete lease agreement
- Two current utility bills – Aquarion, UI, SCG, or cable
- Your driver's license, state identification, or passport
- Your car's registration

Appointments are typically thirty minutes. You can reserve an appointment on our online appointment scheduler by visiting our website at [www.fairfieldschools.org](http://www.fairfieldschools.org), clicking *Student Registration, Grades K-12*, and then *Make an Appointment with the Registrar*. If you do not have access to reserve your appointment electronically, please call 203-255-8242 to reserve an appointment.

At the end of your appointment, you will be given a *Kindergarten Articulation Form*. This form can also be downloaded from our website. We kindly request that you submit this form to your preschool or nursery school for completion and return it to the elementary school where your child will be attending. It is used to gather information about our incoming students, allowing our administrators and teachers to design the kindergarten classes appropriately.

Please be advised that if you have a child already enrolled in our Early Childhood Center (ECC), the kindergarten registration process differs. At the end of January, you will receive a survey question asking if you will be enrolling your child in kindergarten for the upcoming school year. Families will not be required to meet with the registrar, but they will be asked to complete the pre-registration application. Your child's enrollment will be confirmed by Laura Denisevich when it is complete.

If you have any questions regarding registration, please reach out to Mrs. Rita Valle at 203-255-8242 or [rvalle@fairfieldschools.org](mailto:rvalle@fairfieldschools.org).

If you have any questions regarding curriculum, instruction, or programs, please reach out to Dr. James Zavodjancik at 203-255-8390 or [jzavodjancik@fairfieldschools.org](mailto:jzavodjancik@fairfieldschools.org).

School-specific questions can be directed to the principal of each building. Contact information is located on our website ([www.fairfieldschools.org](http://www.fairfieldschools.org)) under the "School" tab, which is located on the right side of the webpage.

We look forward to meeting you and your families in the upcoming weeks and months ahead as we prepare our schools for our newest members and learners.

Sincerely,

A handwritten signature in blue ink that reads "James Zavodjancik". The signature is written in a cursive style.

James Zavodjancik, Ed.D.  
Chief Academic Officer
