

## INSTRUCTIONAL GOALS AND OBJECTIVES

### I. Mission Statement

The mission of the Waterville Central School District is to prepare each student to be a successful and productive member of society.

### II. District Standards

- A. Each student will develop effective communication skills as a foundation to comprehend written/spoken language and create presentations using various media.
- B. Each student will use current and developing technologies for academic and occupational pursuits.
- C. Each student will develop the ability to think logically and apply decision making skills to issues pertaining to both mental and physical well-being in a global society.
- D. Each student will develop competencies which will promote creativity, individual initiatives and/or cooperative efforts toward life-long learning.
- E. Each student will recognize and value his/her own uniqueness and the beliefs, attitudes and cultural differences of others.
