

DISTRICT-WIDE PROGRAM EQUIVALENCY (TITLE I)

I. Statement of Policy

It is the Policy of the District that the educational program and benefits provided to students throughout the District, be equivalent. Services provided in schools supported by Title I funds shall be at least comparable, taken as a whole, to services provided in schools not supported by Title I funds.

II. Implementation of Policy

A. District-wide Salary Plan

The District implements a District-wide salary plan so that staff receive equivalent salaries in each building, not including salary differentials for years of employment.

B. Equivalent Staffing

The District provides equivalent administrative, instructional, and non-instructional staffing for each building.

C. Equivalent Materials and Supplies

The District provides equivalent curriculum materials and instructional supplies for each building.

III. Record-keeping

The District shall maintain records sufficient to document its compliance with these standards and update those records at least biennially.
