Payment & Refund Policy

Payment Policy

Each child must be registered separately for camp. Please do not include multiple children on one registration form.

Payment for a registered camp is expected to be made to the individual counselor within seven days of registration. This allows us to secure your spot and order the necessary supplies for your camper. Our counselors will happily assist in the payment process during those seven days. Payments can be made electronically to each counselor via Venmo. Specific instructions will be shared with you after registration.

Please review the refund policy below if you need to cancel your registration. In some cases, we can move your child to a different session. We currently do not offer credits for future summer sessions. If you anticipate needing to make a change, please don't hesitate to contact the counselor as soon as possible. We'll work together to find the best solution for your family.

Please understand that when we book camps, we rely on fees to pay counselors and cover materials and facilities. Thank you for your cooperation.

Non-Refundable Deposit

A non-refundable registration fee is required at registration. This fee will not be refunded if the camp is canceled at any time after registration. The fee is outlined on the registration form for each camp. All camp registration will be completed online at <https://www.sumneracademy.org/community/camps>.

Full Refund:

If you cancel your registration 45 days or more before the first day of camp, you will receive a full refund, including supply fees. The registration fee is non-refundable and will not be included in your refund.

Partial Refund:

If you choose to cancel registration 30 days before the first day of camp, a partial refund (up to 50%) will be administered. If a supply fee was required for camp and supplies have already been ordered for your child, these will not be able to be refunded. The amount that is refunded will be determined by the counselor. The registration fee is non-refundable and will not be included in your refund.

No Refund:

If you choose to cancel your registration within 21 days of the first day of camp, you will not receive a refund. Similarly, no refunds will be given once the summer camp has started or after it has ended.

Weather-Related or Medical-Related Cancellations

Cancellations due to medical (student or counselor) or weather concerns will be determined case-by-case. Please communicate any medical or unforeseen emergencies to your counselor as early as possible. **If a child becomes sick during camp, they must stay home until they are fever and/or symptom-free for 24 hours without medication.** A refund for missed camp days due to camper illness will not be granted.

Waitlist Policy

Our summer camp operates on a first-come, first-served basis. If a session is full, your child will be placed on the waitlist in the order of registration. There are no fees associated with being on the waitlist. You will only be charged (non-refundable registration fee and any other camp fees) once your camper is moved off the waitlist and officially accepted into the camp session.

We will notify you promptly if a spot becomes available. At that time, payment will be required to secure the place. Thank you for your understanding and patience as we work to accommodate all campers!

Steps taken for failure to follow these behavior guidelines

- The counselor will redirect the camper to a more appropriate behavior.
