

January Library News

Call Erin Sawaski or Kathy Rolling, 448-2875, ext. 7113, for more information regarding Cormier's library.

Biggest Bedtime Event

Please join us for a fun family night of reading on January 15th! There will be different stories in classrooms shared by our staff that will be sure to put a smile on your face while enjoying reading with your kids!

We will also be having a fun competition for a **School-wide prize** of either **Bluey Movie and Popcorn Day OR an "Eggstra" Recess with Mr. Carter!!** There will be a table set up with boxes where the kids can "vote" for which activity they would like to do by donating money to the **Bluey** box for Movie and Popcorn, or the **Good Egg** box for the "Eggstra" recess with Mr. Carter. All donations will go directly toward purchasing books for our RIF program, where every Cormier student will receive 2 free books during the school year to keep forever! So please remember to bring cash, or a check to let your child vote!

Together, let's make this event a night to remember while encouraging a lifelong love of reading. We can't wait to see you there!

Library Book Care Reminder

If a book becomes ripped or damaged, please send the book back to the library with a note so that the page(s) can be repaired with special book tape. **Being kind to books is practiced during library but we need your help at home also.**

Book Returns

The students are excited about checking out library books! Parents, please help your child remember his or her library book on their Library Day. You as parents can make it even more enjoyable by reading the book to your child before they return it to the library.

Library Book and Snow Don't Mix

Snowy, wet weather is here to stay! In order to protect your child's library book we ask that your child **NOT** stuff their backpacks or book bags with their wet snow pants, mittens, hats, and boots. Please use their Bee Book Bags or send along a plastic grocery bag or large ziploc bag that can be used to protect their library book from wet clothes and art projects with wet glue or glitter. We continue to remind students how important it is to take good care of their books. Please discuss this with your child at home also. Thank you for your help.
