Welcome to the South Milwaukee Recreation Department's Spring Break Camp. With your understanding of how the program functions and parent and camper responsibilities, we are sure your child will have a successful experience and a lot of fun over the Spring Break.

Spring Break Fun Camp will feature various activities, including arts and crafts, small and large group games, and athletics. If it's fun you are after, look no further; this is the camp for you!

You may have some questions if your child is a returning or a new camper. Whatever the case, we would be delighted to have you ask us questions to understand the program better. Students should bring a bag lunch, drink and a snack.

Contact Dan Miles at 414-766-5932.
