**Purpose:** *The Dallas School District Long Range Facility Planning and Finance Committee will review fiscal projections, enrollment trends, and facility capacity to guide long range facilities planning. The committee will review and approve the long-range facilities plan and will make recommendations to the Dallas School Board on any changes of use for district schools or sites. In alignment with Oregon's long-range facilities planning requirements, the committee will also monitor the district's facilities plan, assess long-term capital needs, and recommend strategies to maintain efficient, safe, and high-quality learning environments for all students.*
