

**Emmett Middle School
Board Report
November 2025**

Instructional Rounds

EMS completed our first instructional rounds. The purpose of these observations is to allow teachers to observe a variety of lessons noting evidence of student engagement, as well as clear learning intentions and success criteria. Teachers benefit from watching colleagues' lessons and take meaningful strategies and inspiration back to their classrooms.

Our All-Stars program, with the help of Hale counseling, brought EMS the Vibe 18 assembly. The purpose of the assembly was to help students recognize the importance of making healthy, sober choices today for a bright tomorrow. The program also hosted an after school pizza party open to the whole school. There was a BIG turnout! We appreciate the efforts of the All-Stars program on behalf of our kids.

We had a great Red Ribbon Week with themed dress up days each day of the week to reinforce saying no to drugs. Red day, "Just say no" and camo day, "drugs can't find me" pictured below.

November:

11/4 MTSS Meetings

11/7 Staff PD
