

Emmett Middle School
Board Report
December 2025

For Veterans Day, EMS honored our veterans with a slideshow. The final version turned out to be 9 ½ minutes long. Students enjoyed the presentation, and the connections to fellow students piqued their interest.

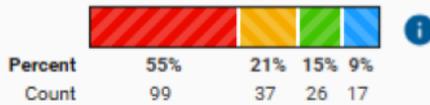

Our EMS Academic Team came out victorious in our first home meet of the season, earning top honors in the five team competition!

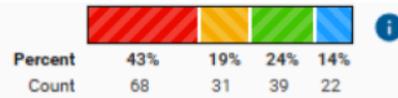

We received early SICA data. While the data doesn't include all scores, it does include the vast majority.
