Dear Parents and Guardians,

We want to share an important reminder about our school's **athletic policy (pass/play)**. This policy helps ensure that students keep academics as a priority while participating in sports and other school activities.

Eligibility Policy

A student **must not fail two or more classes in a semester** in order to participate in during the *following* semester.

- A grade **below 70** is considered failing.

Example

If a student finishes the semester with:

- **Math: 68 (failing)**
- **Science: 65 (failing)**

Because this student has **two failing grades**, they would **not be eligible** to participate in athletics or extracurricular activities during the next semester.

Why This Matters

We want every student to succeed academically and in their activities. If your student is struggling in any course, please encourage them to reach out to their teachers for additional support, tutoring opportunities, or resources that can help them get back on track.

Thank you for your support in helping our students stay focused, responsible, and successful both in the classroom and beyond.

Vonnie McClung

Lee County Middle School West Campus
