

ALL candidates with a foreign diploma/transcript must have it evaluated for the equivalency of a high school diploma within the United States. It is the students' responsibility to have their transcript evaluated. **The transcript evaluation must be turned into student services prior to the enrollment into programs that require it as a prerequisite.** While the agencies listed below are commonly used by our students, this is **not a final list**. Visalia Adult School generally accepts evaluations from any current member of the **National Association of Credential Evaluation Services (NACES)**.

*Note: If you plan to use a service not listed on this page, please verify with the Student Services Office at (559) 730-7646 prior to purchasing your evaluation. The below sites have been approved for students that need their foreign transcript/diploma translated and evaluated.*
