

FLEXIBLE INSTRUCTION DAY (FID) QUICK GUIDE

OVERVIEW

WCASD has five approved FIDs that count as school days, meaning they are not required to be made up at a later date. Microsoft Teams Meetings will take place and learning assignments are provided for students to complete at home.

COMMUNICATION

The WCASD superintendent will inform families and staff of an FID. Teachers and staff will communicate with students throughout the day via Teams, email, Seesaw, and/or Schoology.

ATTENDANCE

Elementary students log into Teams by 9:00 a.m. and secondary students login to Teams and respond to Schoology prompts each class period starting at 9:00 a.m. Any assigned work must be completed as well.

PARTICIPATION ISSUES

Families experiencing problems with internet connectivity or other challenges for attending FID, should email or submit a note to the school when the student returns for the absence to be excused.

HELP AND INFORMATION

For FID expectations, schedules, and FAQs, visit www.wcasd.net/weather.

If you have any questions, email your student's school administration or WCASDInstruction@wcasd.net.
