Rosemead School District Announces the Launch of Redesigned Websites

Rosemead, California: The Rosemead School District is pleased to announce the launch of its redesigned websites, hosted by Finalsite. The redesigned websites will elevate our district's online presence and make it easier for parents, students, and community members to find important information.

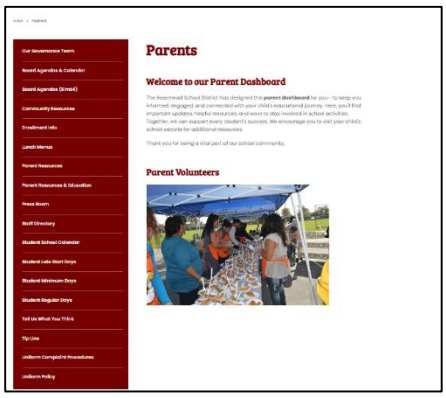

The redesigned websites feature a modern design with easy-to-use navigation and a responsive design, making it accessible on any device. The homepage features a parent quick link section, district news and events, and other improvements, providing visitors with the latest updates and important information. Among the redesign efforts are dashboards tailored for parents, community members, students, and employees, making it a one-stop shop for important information.

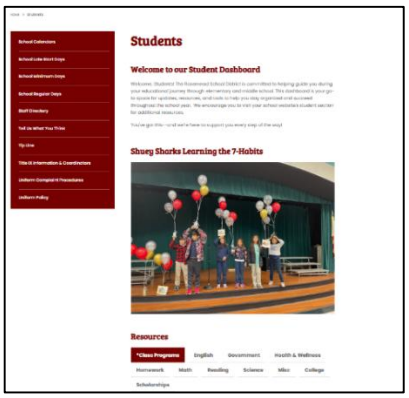

"We are proud to launch the redesigned district and school websites that reflect our commitment to transparency, accessibility, and meaningful communication with our community," said Board President Ms. Nancy Armenta. "The restructured websites make it easier for families, staff, students, and community members to find the information they need while highlighting the incredible work happening across our schools. It is another step forward in ensuring our district remains connected, informed, and focused on student success."

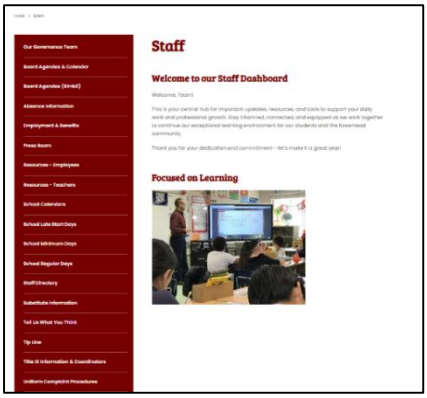

"We are thrilled to launch our redesigned websites and provide our community with an improved online experience," said Superintendent of Schools Dr. Philip D'Agostino. "Our goal is to make it easier for parents, students, and employees to find the information they need, and this new website does just that."

In addition to the new design and improved navigation, the websites feature an enhanced search function that allows visitors to quickly find the information they need, including translation of the content. The websites also include a dedicated section for each school in the district, providing parents, employees, and students with school-specific information and resources.

The new websites are now live and can be accessed at www.rosemead.k12.ca.us.

We invite parents, students, community members, and employees to explore the new websites and send your feedback to communications@rosemead.k12.ca.us.

ABOUT THE ROSEMEAD SCHOOL DISTRICT:

Rosemead School District (RSD) serves students who reside in Rosemead, as well as portions of El Monte, San Gabriel, and Temple City. RSD serves 2,431 students in four PK-6 elementary schools (Encinita, Mildred B. Janson, Savannah, and Emma W. Shuey Elementary Schools) and one 7-8 middle school (Muscatel Middle School). We are proud partners with the City of Rosemead and deeply value our responsibility to serve our community and its children.
