Our care coordinators are experienced nurses who offer a personalized approach to your health care journey, provide relevant educational resources and ensure you receive the best possible care.

About Me

Hi, my name is Tammy! I have been a registered nurse for 13 years. I began my career in a level 1 pediatric emergency room. Within pediatrics, I have worked as an ER nurse, post-op nurse, and dermatology nurse. Fun fact: I was given the nickname “baby whisperer” because I could always calm the babies down. Nursing is more than a profession to me—it is a vital part of who I am. My goal is to help facilitate any needs in a prompt and caring manner. I am passionate about educating my patients. When I am not working, you will find me traveling. I also love spending time with my adorable puppy named Luka and 13-year-old Maltese, Nemo. I look forward to helping you personalize your health care journey.

Education

Bachelor’s Degree in Nursing, Texas Tech University
