Transferring College Credits

If you have any questions about credits transferring into the post-secondary school you are interested in, create an account on [Transferology](#) to find out!

DUAL ENROLLMENT

Dual enrollment is different than College In High School credits. Through dual enrollment, high school students would take college classes on the college campus or through their online program and are taught by the college teaching staff. If you have a question about a particular program, you must contact the college or university directly.

Grove City College

Grove City College offers online dual enrollment courses.
