If you are experiencing sign in issues, please contact your school for assistance. For security reasons, PowerSchool is unable to assist with sign in, password, or other accessibility-related issues.

If this is your first time setting up your Parent Portal, enter your email address in both the Username and Email Address box (use the same address that we have used to contact you with this information).

If you have set an account up previously, please select:

- Forgot Username tab and follow the instructions.
- Forgot Password tab and follow the instructions.

Check your email inbox for a message from Westlake Academy and follow the prompts. The message may take up to 10 minutes to arrive in your inbox. Please note that you might also need to check your spam/junk folder.

If you have more than one student at Westlake Academy, select the individual student you wish to view from the blue ribbon at the top of your screen. Use the menu on the left to navigate to different screens.
