Financial Aid Made Simple

5 Steps to Financial Aid

Basic Principles, Federal Aid

- Paying is the joint responsibility of the student and parents, to the extent possible.
- Need-based financial aid is subject to a federal formula to determine financial aid.
- Not all families qualify for need-based aid. There is no guarantee that you will get any free money to pay for higher education.

What Is Financial Aid?

Financial aid consists of funds provided to students and families to **help** pay for postsecondary educational expenses.

A progress bar indicates the current step is 'Contributor Invite' (step 5), with previous steps (Personal Circumstances, Demographics, Financials, Colleges) marked as complete and the next step (Signature) marked as pending. The main heading is 'Invite a Parent as a Contributor'. Below this, a text box explains that a contributor is anyone required to provide information on the FAFSA form, specifically a legal parent (biological or adoptive) as determined by the state. It also notes that stepparents and other guardians do not count unless they have legally adopted the student. To the right of the text is an illustration of a man and a woman, with the man standing and the woman sitting at a desk with a laptop. Below the text box, the question 'Who counts as a parent on the FAFSA form?' is displayed. At the bottom, there are two buttons: 'Previous' and 'Continue'.

Learn more at pheaa.org/PAForward

1) **Annual Percentage Rate (APR) Calculations** — The lowest APR is based on the following assumptions: A loan of \$10,000 made in a single disbursement, a borrower who selected an Immediate Repayment Plan and a repayment term of 60 months, monthly payments of \$181.11 and a final payment of \$173.14, a fixed periodic interest rate of 3.57%, and total payments of \$10,858.78. The borrower in this sample qualified for a 0.25% Direct Debit benefit for the entirety of the repayment period and a 0.50% Graduation benefit was applied 47 months into repayment. The highest APR is based on the following assumptions: A loan of \$10,000 made in a single disbursement, a borrower who selected an Interest Only Repayment Plan and a repayment term of 180 months, monthly payments of \$87.42 for 52 months and monthly payments of \$110.48 for the remainder of the repayment term, a fixed periodic interest rate of 10.49%, and total payments of \$24,431.69. The borrower in this sample did not qualify for any interest rate discounts. These APRs are estimates and may differ from the actual rates received.

2) The provided rate range includes Undergraduate, Graduate, and Parent loans and may change based on loan type, loan term, repayment plan, and applicable discounts (not all discounts apply to all loan products). See individual loan programs for more specific information. PHEAA uses applicant credit scores to determine eligibility and interest rates. Higher credit scores may mean an applicant is offered a lower interest rate. Applicants, including co-signers, are subject to credit qualifications, completion of an application and credit agreement, and verification of application information. PHEAA reserves the right to discontinue all programs or benefits without prior notice.
